

2010-11 PLAYER OR COACH EJECTIONS BY SCHOOL

At its July meeting, the OHSAA's Sportsmanship, Ethics and Integrity Committee recommended that a list of all schools that had a player or coach ejected during the 2010-11 school year be published in OHSAA Magazine. Below is that list alphabetically, with total number of ejections. Schools with five or more ejections are in bold print.

Henry Zaborniak

Henry Zaborniak joined the OHSAA in 1989 and was promoted to assistant commissioner in 1995. He oversees the entire officiating program and also serves as the administrator for two of the OHSAA's largest sports – football and wrestling. Zaborniak began officiating in 1972 and has been a Division I-A intercollegiate football official since 1990. Often requested to be a presenter and clinician around the country, Zaborniak is a member of the NFHS Football Rules Committee and is a member of the Big Ten Conference football officials staff.

OHSAA INDUCTS 12 NEW MEMBERS INTO OFFICIALS HALL OF FAME

Twenty-third class enshrined into the OHSAA's only 'Hall of Fame' June 11 in Columbus

By Kristin Daugherty, OHSAA Sports Information Intern

When you think of high school athletics, you immediately think of the players and coaches who put in the endless hours of practice, conditioning and strength training to perform their best once competition begins. But on June 11, the Ohio High School Athletic Association recognized another group of invaluable individuals who play a key role in the execution of high school athletics – the officials.

OHSAA Assistant Commissioner Henry Zaborniak, who oversees nearly 16,000 officials across the state, said this particular hall of fame is unique in that it is the only one sponsored by the OHSAA.

"It's extremely important to find and keep quality officials," Zaborniak said. "If a student-athlete has a bad coach, they are not as likely to have a good experience. The same goes for officiating. If our officials do a good job, then it provides a better experience for our student-athletes."

This year, 12 new members were recognized and honored for their significant contributions to interscholastic officiating in the state of Ohio. Members of the 23rd class include Cynthia L. Saling, Newark; Pegi A. Bannan, Yorkville; Jordan G. Kareklas, Columbus; Ronald G. Davis, Zanesville; Edward S. Dohanos, Wellington; Robert E. Mansfield, Youngstown; Lowell L. Everingham, Sandusky; Gordon J. Schutt, New Albany; John M. Jackson, Wellston; Scott A. Moore, Otway; Ted Dageford, Loveland; and Eric L. Shroyer, DeGraff.

To be considered for the Officials Hall of Fame, individuals must have either been named the NFHS Ohio Official of the Year or meet a minimum years of service. For retired officials, a nominee must be retired for two years after a minimum of 15 years of officiating experience or officiating administration. For active officials, a nominee must have at least 25 years of experience in officiating or officiating administration.

RATING AND VOTING INFORMATION

Each athletic administrator votes for a maximum of 15 officials who are added to the school's ballot and then submitted. Coaches or athletic administrators also rate each regular season contest official. Officials do not see these individual school ratings or comments.

Both the officials' voting by athletic administrators and the ratings by coaches are done through the myOHSAA system (instructions are sent through a separate email) and are important in the selection of officials for future OHSAA tournaments. **Schools that fail to vote for or rate tournament officials by the deadline are subject to a \$150 fine per sport.**

VOTING

Tournament officials voting is only available through the athletic administrator's login to myOHSAA. Voting by athletic administrators occurs at the end of the sport season. Athletic administrators vote for a maximum of 15 officials to be added to their school's ballot and submit the ballot. These ballots are important in the selection of tournament officials for future OHSAA tournaments.

RATING

For complete rating instructions, including how to create and issue a user name and password for your head coach, and a page of step-by-step instructions to provide to the coach on how to rate contest officials, go to www.ohsaa.org/myOHSAA/OfficialRatingInstructions.pdf. These instructions also include procedures to add officials to the rating form if the officials were not entered by the athletic administrator. The instructions have been posted to the OHSAA homepage (www.ohsaa.org), under the myOHSAA login along the left side of the page.

Coaches or Athletic Administrators rate each regular season contest official. Officials do not see individual school ratings or comments. Both the official's ratings by coaches and voting by athletic administrators are done through the myOHSAA system.
