

THE REBOUNDERS REPORT

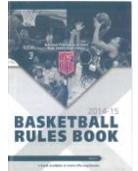

The Ohio High School Athletic Association

Volume 5 Issue 7

February 6, 2015

Each season, an important aspect of the NFHS Rules writing process incorporates a questionnaire that is provided to all Officials and Coaches in Ohio for input. The survey is soon to come out via myOHSAA head coach email addresses but here is a look back at LAST year's questions – and responses. Since this is a 'look back', you can now look at what impact these questions/responses had on the 2014-15 Rule changes. Keep in mind the respondents were from across the nation. "State Association Members" references the 'sport administrator' in each state. For a complete understanding of the "Rules Process", I encourage you to Read Rebounders' Report #3 at: <http://www.ohsaa.org/sports/bk/ReboundersReport/2015/2015ReboundersReport3.pdf>
