**NOTICE REGARDING THE TIE FOR 4TH PLACE IN
REGION 18 - DIVISION V**

In Division V, Region 18 after the final regular season game of the 1986 football season, Delphos Jefferson and Tiffin Calvert had earned 59.0000 points each and were tied for the fourth qualifying position.

In accordance with the football regulations on page 25 of the October/November 1986 Athlete, the stated tie-breaking system was used to determine the qualifying team. The regulation reads as follows, "In case of a tie in any region for fourth qualifying team, the team schedules of the tied teams shall be computed using the third level of competition to break the tie."

As defined in the original rating system adopted beginning in 1972, the third level is computed by adding the team's opponents' opponents points. When this was done, Delphos Jefferson earned 118.0000 third level points and Tiffin Calvert 172.9444 third level points. Thus, Tiffin Calvert was declared the fourth qualifying team in Region 18.
