Barker's Feat May Be Hard To Repeat; Wonderly Comes Close

When Akron Springfield senior Alanna Barker led her team to the Division I state championship in 1995, she accomplished a few records that may never be duplicated. In four seasons, Barker led Springfield to four straight Division I championships, and she was the winning pitcher in all four semifinal and final games. Besides a combined 8-0 record, she gave up just five earned runs in 57 innings (0.79 ERA) with 56 strikeouts and 11 walks. Two of her victories were no-hitters, and five of Springfield's eight wins were by one run. As a senior, Barker was 31-1 with a 0.37 ERA, and she also batted .345 with 33 RBI. During her four-year career, Barker's record on the mound was 93-3.

Between 2001 and 2003, Gibsonburg's Jamie Wonderly pitched her team to three straight Division IV championships. She was the winning pitcher in all six semifinal and final games, when she gave up one unearned run, posted five shutouts, had three one-hitters and had games of 12, 13 and 15 strikeouts.
