

# Memo For Radio/TV Stations With Alternative Rights Fee Payment Plans

Fall 2010

**TO:** Radio/TV Stations With Alternative Rights Fee Payment Plans  
OHSAA Regional and State Football Tournament Managers  
**FR:** Tim Stried, OHSAA Director of Information Services  
**RE:** Delayed Payment to OHSAA Office of Radio Rights Fee

## INSTRUCTIONS FOR TOURNAMENT MANAGERS:

The nature of the broadcast media industry has changed in that some local stations are owned by major corporations that are located outside of Ohio (such as Clear Channel Communications). That makes it difficult for the local stations to obtain a rights fee check from their parent company prior to a broadcast of an OHSAA tournament game. Because of that, the OHSAA has developed a football tournament radio/TV station log sheet for stations that need to pay their rights fee at a later date. Here are the guidelines for tournament managers:

1. If one of those stations is covering a game at your site, a person from the station is required to present you with the Radio/TV Station Coverage Log. Please sign this sheet and make sure the appropriate fee, site, date and participating schools are included.
2. Report this information on your OHSAA financial report. On the TV and Radio Receipts page, write in the station's call letters with \*\*\* after them. Write in the location of the station. Write in the fee that you should have received from that station. Include the missing fee in your total TV and radio receipts and forward the total to the Cover Page's TV and Radio Receipts line.
3. At the bottom right-hand corner of the Cover Page, write in the call letters of the radio/TV station on one of the blank lines and insert the amount they owe as a negative number. Recalculate the total due to/from the OHSAA by deducting (adding) the amount of the radio fee from the net profit (loss).

## INSTRUCTIONS FOR APPROVED RADIO/TV STATIONS:

1. Have the tournament manager or media coordinator sign the Radio/TV Station Coverage Log. Make sure the appropriate fee, site, date and participating schools are included.
2. Once you have completed your coverage of the 2008 football tournaments, mail your log sheet and/or a bill to your parent company's main office to obtain your rights fee check. Then either you or your parent company's main office should forward the rights fee check and a copy of the log sheet to Comptroller Todd Boehm in the OHSAA Office (send to: Todd Boehm, Comptroller, c/o OHSAA, 4080 Roselea Place, Columbus, OH 43214). Make sure the check or the information attached to it clearly indicates what station the check is for, and make checks payable to the OHSAA.

Please contact our comptroller, Todd Boehm, or his assistant, Andrea Rossi, in our office at 614-267-2502 should you have additional questions.
