Welcome to the Fourth Annual OHSAA Boys and Girls Bowling Tournaments. We appreciate your coverage. Below is information that should assist you during the tournament.

- **Media Coordinators:** The tournament managers serve as the media coordinators for the bowling state tournaments. Those people are Greg Coulles (pronounced “COOL-iss”) for the boys tournament and Kyle Wilson for the girls tournament. They can assist you with interviews and results. OHSAA Assistant Commissioner Roxanne Price and site manager Jarrad Kerns are also available to answer your questions.
- **Media Check-In:** A table will be set up near the main entrance for media to check in. Media must show company identification or a letter from a supervisor describing their coverage of the state tournament. Media will then be given a packet containing a credential, press release, program and welcome letter.
- **Results:** Greg Coulles and Kyle Wilson handle the scoring for state tournaments and will provide hard-copy results to the media. Results will also be posted at www.OHSAA.org.
- **Photography Regulations:** Flash photography is not permitted when bowling is in progress, both during warm-ups and competition. Flash photography is permitted prior to warm-ups and between rounds and during trophy presentations. In addition, please see Greg Coulles during the boys tournament and Kyle Wilson during the girls tournament for areas where photographers are permitted to position themselves during competition.
- **Work Room:** Media are permitted to use the tournament office if work space is needed. Please see Greg Coulles or Kyle Wilson for further instructions.
- **Interviews:** Media should speak with Greg Coulles during the boys state tournament and Kyle Wilson during the girls state tournament to determine the appropriate time to interview coaches or student-athletes.
- **Wireless Access and Telephones:** There is wireless access available in the facility, as well as telephones for collect, credit card or toll-free calls only. Use is on a first-come, first-served basis.
- **Programs:** A programs is given to each member of the media in their check-in packet.
- **Credentials:** Use the same credential for both days of the tournament. **Credentials are non-transferable.**
