Additional Information/Fees

(#) The OHSAA may grant exclusive rights to a company/companies for live or tape-delayed coverage of the state tournament and/or finals and the first right of refusal for live or tape-delayed coverage of all other OHSAA tournament events. Should exclusivity be granted, approval for other companies to broadcast a tournament contest must be granted by procedures approved by the OHSAA Board of Directors. In sports not granted exclusivity, approval to broadcast a tournament contest must be granted by the tournament managers or OHSAA (state tournament).

Rights fees for low power (non-commercial) stations: \$25 per game or tournament (where fees are applicable).

Rights fees for stations to resell audio tapes: \$25 donation to the OHSAA Respect The Game Sportsmanship Program per sports season.

Additional broadcast policies and procedures, including those for school-based stations, shall be approved annually by the OHSAA Board of Directors and published by the OHSAA.

Additional Information/Fees

(*) Indicates Telecasts by state/ regional cable companies with over 750,000 subscribers are only available through a negotiated secondary rights package or through consent of the OHSAA.

Tape-delayed contests may not begin prior to 10:00 p.m. the day of the contest. Approval for delayed telecasts/video webcasts permit companies the right to show the contest an unlimited number of times for two weeks following the date of the contest. Additional airing of contests following the two-week period shall result in additional rights fees assessed at rates to be negotiated/determined by the OHSAA Commissioner's office.

(#) The OHSAA may grant to a company/companies exclusive rights for live or tape-delayed coverage of the state tournament and/or finals and the first right of refusal for live or tape-delayed coverage of all other OHSAA tournament events. Should exclusivity be granted, approval for other companies to broadcast a tournament contest must be granted by procedures approved by the OHSAA Commissioner's office. In sports not granted exclusivity, approval to broadcast a tournament contest must be granted by the tournament managers or OHSAA (state level).

If approved by the OHSAA, rights fees for live telecasts of tournament contests when exclusivity has not been granted are to be negotiated/determined by the OHSAA Commissioner's office.

Rights fees for tape-delayed coverage by educational access (non-commercial) stations: \$50 per contest or tournament (where fees are applicable).

Rights fees for stations to resell video tapes/DVDs: \$50 donation to the OHSAA Respect The Game Sportsmanship Program per sports season.

Additional broadcast policies and procedures, including those for school-based stations, shall be approved annually by the OHSAA Board of Directors and published by the OHSAA.
