**NOTE:** The following regulations apply to all levels of tournament competition unless otherwise specified. They were adopted by the Ohio High School Athletic Association Board of Directors on February 13, 2014. The Commissioner is authorized to modify these regulations when deemed necessary by the Commissioner, subject to ratification by the Board of Directors.

## **GENERAL – SECTIONAL/DISTRICT TOURNAMENTS**

### **I. ORGANIZATION OF TOURNAMENTS**

- A. Each District Athletic Board (DAB) organizes and conducts Sectional and District Tournaments in their respective districts, subject to the rules and regulations adopted by the Board of Directors. Sectional / District site managers will receive supplemental information from respective District Athletic Boards. Site selection and play dates of Sectional/District tournaments are at the discretion of each District Athletic Board.
- B. The Regional and State Tournaments are under the direct control of the Commissioner's office. There will be four divisions (I, II, III, and IV). Site selection for Regional Tournaments is at the discretion of the Commissioner's office and may be changed at any time.
- C. There is no restriction/requirement at any level of play regarding playing at college or high school sites. Sites must meet minimum requirements of the NFHS.
- D. The OHSAA maintains the authority to change the site, date, or time of any Regional tournament assignment.
- E. Completion of the OHSAA Tournament Entry Form is the school's agreement to play at the site, day and time assigned by the Commissioner's office.

### **II. ELIGIBILITY OF STUDENTS, COACHES AND BENCH PERSONNEL**

- A. All participants must be eligible under the Bylaws and Sports Regulations of the Ohio High School Athletic Association. Only one school team sponsored by a member school is eligible to participate. An eligibility certificate must be submitted to the tournament manager.
- B. Twenty-two (22) players may be in uniform for each tournament game. The twenty-two (22) players will be the only players permitted in the dugout or on the field for warm-up or any part of the contest. The twenty-two (22) may be changed from game to game throughout the tournament but **MUST** be listed on the official OHSAA Eligibility List.
- C. A student who uses anabolic steroids or other performance enhancing drugs is ineligible for interscholastic competition until such time as medical evidence can be presented that the student's system is free of anabolic steroids or other performance enhancing drugs.
- D. Only Board of Education approved coaches with valid Pupil Activity Permits issued by the Ohio Department of Education are permitted to be in the bench area or locker room prior to, during, and after any tournament contest.
- E. All board approved coaches in the dugout must be in uniform as required by NFHS Rules (and Point of Emphasis for 2014).

- A. Tournament Entry/Withdraw  
Member schools wanting to participate in the 2014 OHSAA Baseball Tournament must indicate their intent to participate on their 2013-14 OHSAA Sports Participation Card in *myOHSAA*. Tournament entry confirmation begins April 21, 2014 and ends April 28, 2014. Schools that change their tournament participation after April 28, 2014 will be subject to a \$150 penalty per sport.

Participating schools must provide the OHSAA eligibility certificate to their sectional site manager per their instruction.

**1. GAMES PER DAY**

No team or individual shall play more than two tournament games per day.

**2. FAILURE TO APPEAR**

Since National playing rules do not address 'failure to appear', the following regulations will apply: If a team fails to appear or is not ready to play within 30 minutes of the scheduled starting time of a tournament game, the space on the bracket may be declared vacant. A "no contest" will be declared, and the opposing team will advance into the next round of competition. See **No Contest** under Section 32 of the General Sports Regulations. All decisions relative to this regulation shall be made by a representative of the respective District Athletic Board (DAB) or the OHSAA Commissioner's office.

**3. ELIGIBILITY CERTIFICATES**

**Players:**

The regular eligibility certificate must be certified by the administrative head of the high school and shall be submitted to the tournament manager. The maximum number to be certified for any tournament game shall be 22. The names of the 22 players who may participate must be given to the tournament manager before each game. No substitutions will be permitted after the list has been handed to the tournament manager for the game that day.

One player, coach, or eligible substitute may occupy the coach's box while his team is at bat. He shall be in the uniform of his team. The coach not in team uniform may only converse with his team during an offensive or defensive team timeout at the team dugout/bench area.

**Note:** It is the responsibility of the schools' coaches, tournament manager/representative to make certain the number of players does not exceed 22. In the event any player not listed on the 22 player roster provided to the manager for that game participates in the contest, the player is considered an ineligible participant and forfeiture of the contest would be required.

**4. ENTRY FORMS**

Schools will enter the tournament via the Entry Form available on the *myOHSAA* data management system. They are NOT required to be submitted at the Tournament Draw. Entry forms now require the inclusion of coaches approved by the school's Board of Education as well as the Permit Number on the coach's Pupil Activity Coaching Permit. Only coaches listed on the Entry Form with current and valid Permit numbers are permitted to coach.

**5. SECTIONAL AND DISTRICT TOURNAMENT DATES**

The Sectional Tournaments may begin on Saturday, May 10 and scheduled to be completed by May 17. The District Tournaments will be conducted during the week ending May 19. Participation in an athletic contest is a privilege. Each individual is expected to conduct himself or herself in an exemplary manner while participating.

## **18. PROPERTY DAMAGE**

There is no insurance covering property damage. If property is damaged at a tournament site by competing school teams, student body or spectators, the school from which the students and/or spectators come shall be liable and pay the cost of repair or replacement. The OHSAA will deduct from the school's share the cost of any damages caused by competing schools. Other damages to facilities not attributed to a competing school could be a legitimate tournament expense and may be deducted from tournament receipts. If damage is extensive, the District Board or Board of Directors will become involved. Student crowd control at state sponsored tournaments is the responsibility of the administrative heads of the competing schools.

## **19. SPONSORSHIP AND RIGHTS**

## **22. PROHIBITED SALES**

The sale of, the distribution of, or the consumption of alcoholic beverages or illegal drugs is not permitted at the site of any contest involving OHSAA member schools.

## **23. CONCUSSION RECOGNITION AND MANAGEMENT**

Any athlete who exhibits signs, symptoms or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion or balance problems) shall be immediately removed from the contest and shall not return to play. Coaches, Umpires, and Administrators possess the 'right' to remove a player for suspected concussions. All coaches and tournament umpires are required to have completed one of the two approved Concussion Courses or possess a current and valid Pupil Activity Permit. Umpires carry the NFHS Rules Book and the Suggested Guidelines for Management of Concussions is located in the Appendix in the back of the book.

## **24. LIGHTNING AND INCLEMENT WEATHER**

This is an extremely important safety policy adopted by the National Federation. Though all officials received these procedures in pre-season communication, it is strongly recommended that tournament site managers review this policy with Administrators of competing schools, coaches AND Officials prior to games. The Lightning and Inclement Weather Policy is relative to ALL OHSAA Sports and is contained within **OHSAA Sports Regulation**.

## **WEATHER**

**Recognition:**

*Coaches, athletic trainers, athletes, administrators and contest officials should be educated regarding the signs indicating thunderstorm development. Since the average distance between successive lightening flashes is approximately two to three miles ANYTIME that lightning can be seen or heard, the risk is already present. Weather can be monitored using the following methods:*

- **Monitor Weather Patterns** – Be aware of potential thunderstorms by monitoring local weather forecasts the day before and morning of the competition, and by scanning the sky for signs of potential thunderstorm activity.
- **National Weather Service** – Weather can also be monitored using small, portable weather radios from the NWS. The NWS uses a system of severe storm watches and warnings watch indicates conditions are favorable for severe weather to develop in an area; a warning indicates severe weather has been reported in an area, and everyone should take proper precautions. Any thunderstorm poses a risk of injury or death even if it does not meet the criteria for severe weather. Therefore, anytime thunderstorms are in the forecast (even if it is only a 20 percent chance), event organizers should be at a heightened level of awareness to the potential danger of lightning.

**Management:**

- **Evacuation-** If lightening is imminent or a thunderstorm is approaching, all personnel, athletes and spectators shall evacuate to available safe structures or shelters. A list of the closest safe structures should be announced and displayed on placards at all athletic venues.
  - **Thirty-minute rule-** Competition or practice shall be suspended once lightning has been recognized or thunder is heard. It is required to wait at least 30 minutes after the last flash of lightning is witnessed or thunder is heard prior to resuming practice or competition. Given the average rates of thunderstorm travel, the storm should move 10-12 miles away from the area. This significantly reduces the risk of local lightning flashes.
- Any subsequent lightning or thunder after the beginning of the 30-minute count shall reset the clock, and another count shall begin.**
