TO: BOWLING STATE TOURNAMENT COACHES

RE: PROCEDURE FOR PRESENTATION OF TROPHIES

In an effort to make the presentation of trophies and awards a ceremony that you and your players will remember for many years, we are asking for your assistance in the following procedure.

1. After the first wave of enthusiasm wanes, please have your players take their places near the awards area.
2. Individual Awards – During the awards ceremony, a gold medal will be presented to the individual State Bowling Champion. A silver medal will be presented to the State Runner-up. The silver medal will be presented first followed by the gold. Both bowlers are to remain standing through the awards.
3. Team Awards - A gold medal will be presented to each player, and coach of the winning team. A silver medal will be presented to each player, and coach of the runner-up team.

As the name of each player is called, she/he will report to the awards table. The individual making the award will place the medal around the player's neck and shake their hand in congratulations. After players receive their awards, they will form a line until the team trophy presentation is made. The coach will be the last called, and at this time the captain or co-captains will be asked to come to the awards table for the presentation of the runner-up or championship trophy. Please remain in position until all awards have been given.

4. It is expected that good sportsmanship will prevail before, during and after.
5. **It is required that participants from both schools remain on the floor for both awards ceremonies.**

Thank you for cooperating in this important part of our State Bowling Tournaments.

If additional awards are desired for assistant coaches, managers, etc., schools may contact the supplier directly. **The supplier is Croton Craft Trophies and Awards at 1-800-947-5521**, and schools will be billed directly from the supplier. It is advisable to consult with your school and/or athletic administrator for authorization before placing orders for additional awards.
