2012 BOWLING TOURNAMENT REGULATIONS

NOTE: The following regulations apply to all levels of tournament competition unless otherwise specified. They have been adopted by the Ohio High School Athletic Association Board of Directors October 20, 2011. The Commissioner is authorized to modify these regulations when it is deemed necessary by the Commissioner, subject to ratification by the Board of Directors.

1. ORGANIZATION OF TOURNAMENTS

The District Athletic Boards organize and conduct Sectional and District Tournaments in their respective Districts, subject to the rules and regulations adopted by the Board of Directors. The State Tournaments are under the control of the Commissioner's office.

2. ELIGIBILITY OF STUDENTS

All participants must be eligible under the Bylaws and Sports Regulations of the OHSAA.

A student who uses anabolic steroids or other performance-enhancing drugs is ineligible for interscholastic competition until such time as medical evidence can be presented that the student's system is free of anabolic steroids.

3. DIVISIONS

4. ENTRIES

Schools shall transmit all entry information, including an accurate eligibility certificate to the manager of the sectional tournament to which the school has been assigned by the District Athletic Board as per the instructions from each Board. Sectional managers shall retain all entry forms and eligibility certificates for schools entering the tournament for 42 days following the close of the season. Sectional managers *should forward* such forms and certificates to the District manager for those teams or individuals advancing.

Each school may enter one girl's team and one boy's team (eight participants per team) provided their names are on the eligibility certificate submitted with the entry form.

*A contestant who starts on a team in a sectional, district or state tournament must continue until that respective tournament is completed.

5. SUBSTITUTIONS

Five bowlers compete on a team at each tournament level. There may be up to eight participants listed on a team's roster. The roster/lineup must be given to the tournament manager prior to the start of tournament play. Substitutions may be made in the Sectional Tournaments according to the general sports regulations for bowling. All participants must be included on the OHSAA eligibility certificate.

A school that SPONSORS girl's bowling and has less than five girls participating may permit the girls to participate with the boy's team during the regular season, and the girls will be permitted to enter and compete as individuals in the OHSAA-sponsored girls' tournament competition. The maximum number of *individual* bowlers that may compete in the sectional tournament from a *sponsoring* school is four.

A school that does *not* sponsor girl's bowling but has girls participating may permit the girls to participate on the boy's team, but they must enter the OHSAA-sponsored boys' tournament competition.

6. SEEDING AND DRAWING FOR SECTIONAL TOURNAMENTS

Coaches shall be notified when the draw is scheduled so they may be present to help with the seeding in the Sectional Tournaments. The current draw date has currently been scheduled for February 5, 2012. There will be no *mandatory* seeding of teams for the purposes of lane assignments or placement into tournament sites.

It is the responsibility of each District Athletic Board to determine the number of qualifiers from the sectional tournament to the district tournament. Advancement of teams to the state tournament is based on a formula that takes into account the number of school teams that participate in each of the OHSAA's six districts.

This roll-off will be repeated, with the same players selected, until the tie is broken. No Individual Baker game shall end in a tie.

Individuals: ties for advancement/awards in individual competition will be broken based on the high game bowled in the series being used to determine advancement/awards.
