

# OHSAA 2011 Football Radio Listing

The OHSAA is pleased to once again compile a list of radio stations around the state that broadcast high school football games. Stations appearing in italics were on the 2010 list and should confirm their plans to broadcast games in 2011 in order to appear in bold print on this list. Please contact Tim Stried at [tstried@ohsaa.org](mailto:tstried@ohsaa.org) and Paul Seiter at [pseiter@ohsaa.org](mailto:pseiter@ohsaa.org) to confirm plans or update information.

In addition, stations have the opportunity to opt into one of two programs in conjunction with the OHSAA Radio Network that will result in a reduction or waiver of broadcast rights fees for football playoff games (normal fees range from \$60 to \$100).

**Football Plan A:** Stations that carry at least two football state championship games of the OHSAA Radio Network shall only pay \$25 for any playoff games they broadcast themselves.

**Football Plan B:** Stations that carry various games from all four OHSAA Radio Network events during the 2011-12 school year (football, girls basketball, boys basketball and baseball state tournaments) and OHSAA public service announcements shall pay no rights fees to broadcast any regional or state tournament contests in any sport. The specific number of public service announcements and network games shall be negotiated between the station and Tim Stried, OHSAA Director of Information Services.
