

2016 Football Tournament Regulations

These regulations were adopted by the Ohio High School Athletic Association Board of Directors on June 2, 2016.

The following regulations apply to all levels of the tournament unless otherwise specified. The Commissioner is authorized to modify these regulations when it is deemed necessary by the Commissioner, subject to ratification by the Board of Directors.

SECTION 1 – TOURNAMENT ORGANIZATION

1. Sponsorship & Management

The Ohio High Athletic Association sponsors the Regional and State Football Tournaments. Each tournament game shall be conducted in accordance with the 2016 Football Tournament Regulations and the 2016 OHSAA Football Manual. The OHSAA will contract with member schools, collegiate and/or professional sites to host a tournament contest. A game manager shall be appointed by the administrator of the contracted site. The OHSAA Commissioner retains the right to approve all managers for each football tournament contest. The OHSAA Commissioner is the final authority on all questions and situations arising from the regulations and the management of the football tournament.

2. School Sponsored Football Team Schedule

OHSAA member schools that sponsor a varsity football team shall enter their home games and accept their away games in the ArbiterGame system by August 1. Games played with non-OHSAA members (home or away) must be entered by the OHSAA member school. In order for a schedule change to be used for the tournament rating purposes the following conditions apply:

- 2.1 Any addition/deletion or change must be entered into the ArbiterGame system before the game is played and;
- 2.2 There must be a written, signed agreement between the opposing schools dated prior to the date of the game, but not later than October 1, 2016 and;
- 2.3 Provided there is not a cancellation of a game already under contract, except if the date becomes open due to the prospective opponent school being on strike or discontinuing its football schedule and;
- 2.4 The game is not a “playoff” game involving intraleague or interleague play.
- 2.5 All regular season games must be played on or before the Saturday of the 10th week.

3. Division Assignments

The division to which a school is assigned is based upon the male enrollment of the school in grades 9-11 as reported by the State Department of Education. Divisions were established for a two-year period beginning June 1, 2015. **Note that the number of schools sponsoring football may change from one year to the next.**

The division ranges with point values are:

| <u>Division</u> | <u>Male Enrollment</u> | <u>Points</u> | <u>No. of Schools</u> |
|-----------------|------------------------|---------------|-----------------------|
| I | 581 and More | 6.5 | 72 |
| II | 361-580 | 6 | 107 |
| III | 257-360 | 5.5 | 107 |
| IV | 186-256 | 5 | 107 |
| V | 144-185 | 4.5 | 107 |
| VI | 100-143 | 4 | 107 |
| VII | 99 and less | 3.5 | 109 |
| | | | Total: 716 |

4. Eligibility for Football Tournament Participation

In order to be eligible for regional tournament participation the following requirements must be met:

- 4.1 The school must be a member of the OHSAA and in good standing.
- 4.2 A regular season football schedule must be submitted on the ArbiterGame system as required above.
- 4.3 An eligibility certificate listing all eligible players on the football team must be filed in the high school principal's office prior to the first regular season game.
- 4.4 The football team must play a minimum of eight regular season varsity high school games.
- 4.5 All regular season game results must be provided to the OHSAA by 11:00 P.M. on October 29, 2016.

5. Football Team Computer Rating System

The procedure used to rate football teams is based upon a system developed by Jack Harbin of Cleveland and used with his permission. The Board of Directors has modified the original system. Each team will earn points as explained below.

POINT SYSTEM

On the first level:

Points are earned for each game a team wins.

(FULL VALUE)

Points are earned for each game a team ties.

(ONE-HALF VALUE)

On the second level:

Points are earned for each game a defeated opponent wins.

(FULL VALUE)

Points are earned for each game a defeated opponent ties.

(ONE-HALF VALUE)

Points are earned for each game a tied opponent wins.

(ONE-HALF VALUE)

Points are earned for each game a tied opponent ties.

(ONE-FOURTH VALUE)

Points are earned on the following basis:

Division VII opponent win – 3.5 points; tie – 1.75 points

Division VI opponent win – 4.0 points; tie – 2.0 points

Division V opponent win – 4.5 points; tie – 2.25 points

Division IV opponent win – 5.0 points; tie – 2.5 points

Division III opponent win – 5.5 points; tie – 2.75 points

Division II opponent win – 6.0 points; tie – 3.0 points

Division I opponent win – 6.5 points; tie – 3.25 points

5.1 First Level Points are awarded for

- a. Each game a team wins (full value)
- b. Each game a team ties (half value)
- c. No points are awarded for game lost

5.2 Second Level Points are awarded as a result of a team defeating or tying an opponent according to the following formula:

- a. Defeating an opponent awards to the winner the loser's first level points.
- b. Tying an opponent awards the team one half the opponent's first level points.
- c. No second level points are awarded for losing to an opponent.
- d. A divisor is used to determine second level points. It is based on the number of games that opponents have played to date. For each open date that an opponent has had to date, a smaller divisor is used to calculate second level points.

Note: Before any games are played, the computer assumes that the opponents on each school's schedule will play a full complement of games and assigns the divisor of 100 (10 weeks times 10 opponents=100). After each week of the season, for each open date that occurs for an opponent that a school has played to date, the computer subtracts the divisor by one. In other words, if week five has just been completed and all five of a school's opponents have played a full complement of games, then the divisor remains at 100, and second level points are divided by 100. If one opponent on a school's

schedule to date has an open date, then the divisor reduces by one to 99, and second level points are divided by 99, and so on. The second level points are then multiplied by the factor 10 in order to move the decimal point higher so that the averages are comparable to those in past years.

- 5.3 Non-member OHSAA school opponents are assigned a point value based upon male enrollment in grades 9-11. Second level points are awarded based upon the point value of the OHSAA non-member school multiplied times the number of victories by the non-member school (one-half value for a tie).

Note: It is the responsibility of the OHSAA member school to monitor the posted scores for accuracy and out of state records. Schools should report discrepancies to Angie Lawler at alawler@ohsaa.org at their earliest convenience.

- 5.31 When the non-member school plays more than 10 regular season games, only the first 10 games will count unless the game with the OHSAA member school is the 11th game in which case the nine games preceding it shall be counted.
- 5.32 When the non-member school plays less than 10 regular season games, the open dates will be considered an open date except in those states which conduct a state tournament in which case the first round tournament game in those states will be counted, when the first round game is played before the final OHSAA football computer ranking is completed.
- 5.4 Calculation of Points for Ranking Purposes
Each week, a team's first level points will be added to the team's second level points. The total points obtained will be divided by the number of games played to obtain a per game average. Teams will then be ranked within each region based upon their per game average. The margin of victory is not a factor. A win by one point or 20 points counts only as a win. In order to be eligible for tournament participation, a team must play a minimum of eight games. If a team plays less than eight games during the season, the divisor for the end of season rankings will be eight.
- 5.5 Only forfeits that result from a violation of OHSAA Bylaws and/or Sport Regulations will affect a team's wins and losses recognized by the OHSAA and thus impact the calculation of first and second level points. Self-imposed forfeits that result from violation of school district policy and/or league/conference policy without a contemporaneous violation of the OHSAA Bylaw or Sport Regulation will not affect wins and losses recognized by the OHSAA and will not impact first or second level points used in these calculations.

6. Reporting Regular Season Results

- 6.1 Regular season results will be posted on the OHSAA website by 10:00 A.M. on the Monday following the game. : It is the responsibility of the OHSAA member school to monitor the posted scores for accuracy. Schools should report discrepancies to Angie Lawler at alawler@ohsaa.org at their earliest convenience.
- 6.2 Games on Friday, October 28, 2016 will be posted on the OHSAA website by 11:00 A.M. Saturday October 29, 2016. : It is the responsibility of the OHSAA member school to monitor the posted scores for accuracy. Schools should report discrepancies to Angie Lawler at alawler@ohsaa.org at their earliest convenience.
- 6.3 Games on Saturday, October 29, 2016 will be posted on the OHSAA website by 11:00 P.M.. Saturday October 29, 2016. : It is the responsibility of the OHSAA member school to monitor the posted scores for accuracy. Schools should report discrepancies to Angie Lawler at alawler@ohsaa.org at their earliest convenience.
- 6.4 Games played or completed after 11:59 PM Saturday, October 29, 2016 will not count in the computer rankings.

The OHSAA Computer Rankings will be released after the game results of the first four weeks of the season. The rankings will be available on the OHSAA web site (www.ohsaa.org) and through the Associated Press on a weekly basis through the end of the season. The rankings *do not* reflect the relative strengths of teams nor do they predict the results of future games. Rankings are used by the OHSAA to select the best teams for the tournaments based upon the caliber of their opponents.

7. Regional Qualifying Teams

The eight schools with the highest per game average of points in each region will qualify for the regional football tournament. If a school chooses not to participate in the regional tournament, the school with the next higher per game average will become a qualifier.

7.1 In case of a tie in any region, the point values of the tied teams shall be calculated using the third level of competition to break the tie.

On the third level of competition:

Points are earned for each game that a defeated opponent's defeated opponents may win (FULL VALUE)

Points are earned for each game that a defeated opponent's defeated opponents may tie (ONE-HALF VALUE)

CASE #1: Team A and Team B after 10 games of the regular season are tied for fourth place in their region, each with an average of 7.6500 points. By using the third level of competition for Team A and Team B, it is determined that Team A earned, with third level points, an average of 12.3500 points and Team B earned, with third level points, an average of 13.2785 points. Team B qualifies for the fourth place in the regional tournament, Team A qualifies for fifth place.

CASE #2: After 10 games of the regular season Team C and Team D are tied for eighth place in their region; each with an average of 12.4500 points. It is determined that Team C had played and defeated an out-of-state school opponent. There are no third level competition points available when an out-of-state or non-member opponent is involved. When the third level of competition cannot be applied in the case of a tie the following steps shall be followed in the order listed.

- 1) The team that won in head-to-head competition.
- 2) If the teams did not play each other, the team with the most regular season victories will qualify.
- 3) If the teams have the same number of regular season victories, the team whose opponents earned the most victories will qualify.
- 4) If the total victories of the opponents are equal, the team with the highest victory percentage will qualify.
- 5) If the teams have identical victory percentages there will be a blind draw conducted by the Commissioner to determine the qualifying team.

7.2 In the event there is an error in determining tournament qualifiers, the OHSAA reserves the right to make the correction and to insert the correct team into the tournament provided the error is discovered prior to 12 P.M. (noon) Tuesday of the week of the regional quarterfinal game. If the error is discovered after the regional quarterfinal game has been played, no change will be made.

7.3 If there is a forfeiture of one or more regular season games after the qualifying teams have been announced and the team announcing the forfeiture is a qualifier and would not qualify for the tournament when the forfeiture(s) is counted, only the qualifying team that forfeits will be removed from the tournament. Their line on the tournament bracket may be taken by the highest ranked non-qualifying team when the qualifying teams were first announced **or** the last team defeated **provided** the ineligibility is determined on or before 12:00 P.M. (noon) Tuesday of the week the game is scheduled to be played. The line on the bracket will remain vacant (a bye) if the ineligibility is determined after 12:00 P.M. (noon) on Tuesday of the week of the game is scheduled **or** if the new eligible team chooses not to participate. **Note: The computer rankings will not be rerun in any other region.**

8. Notification of Regional Qualifying Teams

Qualifiers and pairings for the regional quarterfinals will be available on the OHSAA web site (www.ohsaa.org) and through the Associated Press by 2 P.M. on Sunday, October 30, 2016.

Teams that finish 1-4 in the final computer rankings will be given the opportunity to be the host (home) teams for finishers 5-8. Host sites are required to select a game manager. Game managers are required to meet at 1:00 P.M. site TBA on Monday, October 31, 2016.

These games will be played at the time and on the date as adopted by the Board of Directors. If the site of the higher ranked team is not available at that time/date then the higher ranked team shall obtain a neutral site. If a neutral site is not available the game will be played at the opponent's field. If the proposed school does not wish to host the game based on the financial regulations, the commissioner's office will assign the game to the opponent's site or a neutral site. The commissioner's office has the right to change the host site if a site has been negligent with their tournament financial reporting in the past. When the host site has an unlighted field the game will be played at 1:30 p.m. on November 5.
- 1.2 The Commissioner will select the sites for all other regional and the state semifinal games. **The site of all tournament games will be based upon the best site available based on TOTAL travel and the accommodations of the site.** It is not our intention to have schools travel the same distance to sites. Neutral site is defined as a site that neither team plays the majority of their home contests. State semi final sites will be based entirely on the accommodations of the site.
- 1.3 The Commissioner retains the authority to assign any tournament game to the home site of a competing team, but primary consideration is given to a site not used as a home site by either team during the regular season.

2. Game Manager

There shall be a game manager for each game site. The manager will be responsible for selecting and supervising personnel necessary for the administration of the game; e.g., media coordinator, ticket sellers, ticket takers, ushers, clock operators, and police. expense reimbursement or bonus the cost of any damages. Extensive damage must be reported to the Commissioner as soon as possible after the event.

5. Unsporting Conduct Penalty

During participation in OHSAA Football Tournaments any athlete or coach ejected for unsporting conduct or a flagrant foul shall be ineligible for the remainder of that contest and the following contest.

The game officials shall report ejections for unsporting conduct to the OHSAA Commissioner. The Commissioner may impose additional penalties in accordance with Bylaw 11.

6. Banners and Signs

Banners and signs will be permitted provided they are not personal, negative, unsporting, or vulgar. **Signs or banners may not be attached or fastened to a building or facility unless approved in advance by the manager. 5. Fan Education

The OHSAA requests that participating school administrators take this opportunity to educate students and adults from your school of the importance of proper behavior and conduct. Please relay this information to the fans from your school community. Student crowd control at OHSAA sponsored tournaments is the responsibility of the principals of the competing schools. A positive approach to this matter prior to the game will result in a more pleasant atmosphere. Fans should be reminded to stay off the field at the conclusion of all games.

SECTION 5 – ADMISSION INFORMATION

1. Admission Prices

| | |
|---|---|
| Regional Quarterfinals, Semifinals & Finals | \$8.00 presale; All tickets \$9.00 at gate |
| State Semifinals | \$8.00 presale; All tickets \$10.00 at gate |

Note 1: Children age 6 or older will be charged regular admission.

Note 2: The OHSAA Commissioner is authorized to deviate from the established admission prices when "double headers" are conducted.

2. Ticket Information (excluding State Finals)

The following ticket procedure will be followed:

- a.) Tickets will be serially numbered.

- b.) Before the contest begins, check the tickets with the report form from the OHSAA.
- c.) Instruct sellers to be sure that all UNSOLD tickets are in consecutive serial number order, meaning that the remainder of the UNSOLD roll is consecutively numbered without any intermittent tickets having been removed.
- d.) If tickets are sold from more than one booth, sell them from two or more rolls at the same time. This will avoid having to sell from removed portions of a roll.
- e.) **Special Notice:** Each person paying admission MUST be given the ticket purchased. All tickets must be torn in two when the purchaser is admitted, unless a bar coded ticket is used. If the sale and admittance is handled at the same location and shall be given, one part purchased ticket. Such ticket stubs shall NOT be used as pass-out tickets.
- f.) Managers shall not use pass-out tickets. A good rule to follow is: "If you're in, you're in; and if you're out; you're out." It is not necessary to give pass-out checks. It simply invites people to move in and out of the stadium. In the event it is necessary (inclement weather, outside restrooms or concession facilities, etc.) the manager is authorized to provide a pass-out system.

3. Reserved Sections
