

OHSAA 2009-2010 Girls Gymnastics Manual Corrections and Clarifications (12/09 K. Edwards)

- Page 12 – Under #2 at the end of the paragraph should read “ Any “E” element performed will receive “0” for Value Part credit and will be subject to execution deductions.
- Page 13 – Under #6 h. Horizontal casts will be allowed for counting skills but judges will take appropriate deductions.
- Page 13 – Cross off #11 and refer to Jo Code pg. 57 for angle deductions
- Page 14 – Under #13 should read:”....will be considered **C/D respectively** when awarding...”
- Page 18 – Middle of Page “Awarding Additive Value” Cross of that whole paragraph because bonus will now be awarded regardless of amount of execution taken except in the case of a spot or a fall
- Page 21 – Under Special Requirements on Floor, the last SR Minimum of “A” performed should have a 4. In front of it for the 4th SR
- Page 24 – Please refer to revised HS composition page that is also a link on this site
- The deduction for more than 2 pivot turns is .1, so if gymnast does 5 pivot turns the deduction is just .1 total
