

2014 Coaches Sportsmanship Award Recipient

Each year, all 24 of the Ohio High School Athletic Association sanctioned sports and the four allied professional organizations can recognize and honor one of their members with an OHSAA Sportsmanship, Ethics and Integrity (SEI) Award. The recipients are selected by the directors or executive committees of the respective coaches or allied organizations. Individuals selected should reflect the values of sportsmanship, ethics and integrity in all their professional responsibilities.

Rick Reedy

The Ohio High School Gymnastics Coaches Association has selected Rick Reedy, Beavercreek, as its 2014 SEI Award Recipient. He will be honored at this weekend's state tournament.

Rick first began coaching gymnastics locally for club gymnastics. Rick had the opportunity to coach in Wisconsin at Lake Owens where he interacted with some of the best coaches around and was able to learn different techniques and ideas, and have hands-on training to further enhance his coaching ability. After moving back to Ohio, Rick began working at a gym where the Beavercreek High School gymnastics team trained. When the high school was looking for a new head coach, Rick jumped on the opportunity and began coaching the high school team with only four girls. Year after year, the team grew and improved.

Rick says he was first hooked onto gymnastics when he needed to write a report about a sport in middle school, and his teacher introduced him to the gymnastics coach at the time, Mr. John Good. Rick was one of the smallest kids in the class and joined the boy's gymnastics team. Rick attributes his coach, John, as being an important mentor in his life with great qualities and fundamentals, teaching each individual to

be respectful and hardworking. Rick won three state championships under Coach John Good, and was a runner-up the other year.

Rick is extremely appreciative and honored to receive this award, stating "to be recognized by the OHSAA and my fellow Ohio gymnastics coaches is truly an honor. Thank you again for this prestigious award. It means everything to me to be recognized for my contribution to high school gymnastics in the state of Ohio." Rick would like to thank his wonderful wife and daughter for being so understanding on the many weekends and nights he is away at competitions. Rick also wants to thank all the coaches who give their heart to the sport of gymnastics.
