By OHSAA Board of Control regulation, any school sponsoring interscholastic contests in track and field must have the head varsity track and field coach, assistant track and field coach, or athletic administrator attend one of the meetings listed below. Any school failing to meet this requirement will be ineligible for tournament competition.

Those coaches or officials who do not attend a regularly scheduled rules interpretation meeting or the scheduled make-up meeting may request a special make-up meeting from an interpreter listed below. The fee for a Special Make-up Meeting is \$50.00.

Officials who fail to attend one of the meetings will be suspended the following year. Attendance is also required in order to be eligible for Regional or State Tournament assignments.

It will be the responsibility of the head track and field coach, assistant track and field coach, or athletic administrator of each school and officials to be in attendance within ten minutes of the start of the meeting and stay until the conclusion of the meeting in order to receive credit for attendance.
