### Welcome to the 2014 State Wrestling Championships

A great deal of information – both in the official program and in this media guide – is available to each of you covering the tournament. Besides the charts that are in this guide, there are two other main sources of information available for your use.

At last weekend's District competition, each state qualifier was given a media form to fill out. While not all were returned, a vast majority were. Should you need to use these forms, please contact one of the OHSAA representatives along media row.

The other resource available is the complete list of every state placer from 1938-2013. The last three years (2011, 2012 and 2013) state placers can be found in this media guide. Earlier state placers are available from one of the OHSAA assistants working on media row. If you know of any corrections, please let us know.

Note that wrestlers are listed by the school name at the time they attended (i.e. Kettering Fairmont East/West). However, if the school changed mailing addresses (i.e. Dayton Wayne to Huber Heights Wayne) then the school is listed by its new location. Schools that have added to their name, because of an additional school being built (i.e. Pickerington Central/North) are listed according to what the school is currently called.
