Welcome to the 2016 State Wrestling Championships

A great deal of information – both in the official program and in this media guide – is available to each of you covering the tournament. Besides the charts that are in this guide, there are two other main sources of information available for your use.

At last weekend's District competition, each state qualifier was given a media form to fill out. While not all were returned, a vast majority were. Should you need to use these forms, please contact one of the OHSAA representatives along media row.

The other resource available is the complete list of every state placer from 1938-2014. The last three years (2013, 2014 and 2015) state placers can be found in this media guide. Earlier state placers are available from one of the OHSAA assistants working on media row. If you know of any corrections, please let us know.

Note that wrestlers are listed by the school name at the time they attended (i.e. Kettering Fairmont East/West). However, if the school changed mailing addresses (i.e. Dayton Wayne to Huber Heights Wayne) then the school is listed by its new location. Schools that have added to their name, because of an additional school being built (i.e. Pickerington Central/North) are listed according to what the school is currently called.

Ohio High School Wrestling Coaches Association 2016 Special Award Winners

OHSAA Ethics and Integrity Award Winner Mark McGuire, Caledonia River Valley

Mark began his wrestling career at Babylon High School on Long Island, New York in the early 70's. Following graduation he came to Ohio where he attended Findlay College, now the University of Findlay, wrestling two seasons as well as playing football and running track. He earned his Bachelor's of Science degree from Findlay College, then continued to add certification areas to his teaching degree by attending Bowling Green State University, Ashland College and The Ohio State University.

Mark began his coaching and teaching career in 1977, at Marion Catholic High School where he played a role in the introduction of wrestling as a high school sport at Marion Catholic in 1979. He next moved to North Union High School, in Richwood Ohio, where as the Head wrestling coach had the schools' first state wrestling champion, and four other state qualifiers in his first two seasons. In 1981 he joined the educational staff at River Valley High School where he has been teaching Biological Science and coaching wrestling for the past thirty five years. He has advanced the wrestling program to the next level as he was instrumental in the development of a middle school, and a youth program.

Mark has coached a total of forty state qualifiers, fourteen of them state placers, three individual state champions and six "Academic All Ohioans". His teams have been the Sectional champions several times and the District runner-up once. While coaching at River Valley, Mark also coached the lone athlete from Cardington High School to an individual state championship, and two other state placements.

His team has been League champions nine times and he has been "Coach of the Year" three times in his conference, and also the Central District "Coach of the Year" once. Mark is most proud of the fact that so many of his past athletes have gone on to become coaches and officials in their own right, his two sons being part of that group.

Mark continues to coach and teach at River Valley High School where he encourages athletes, at all levels, to participate in multiple sports to become more well-rounded individuals.

OHSWCA Service Award Winner Nick J. Dimitris, Brecksville-Broadview Heights

Nick Dimitris' 56 year love affair with the sport of wrestling goes back to 1960 when as a HS Junior he decided to try his hand in the sport while attending one of the old Cleveland Senate schools, James Ford Rhodes High School. He wrestled for coach Tom Ehler. Nick claims to have been a good, but not great wrestler in high school winning the Senate Conference championship in his Senior year. He continued wrestling at Case Institute of Technology but found it extremely challenging to balance training, maintaining weight, competing, and the academic rigors of an Engineering degree.

During the 1980's and 1990's he became involved with the premiere youth Longwood YMCA Wrestling Club as an assistant coach. Watching his two sons develop and compete began a rewarding period in the sport as Longwood wrestled both locally and at many out of town tournaments. During this period Nick was appointed as the wrestling chairman for the Lake Erie Association of the AAU and served as tournament director for the annual qualifier to the national AAU tournament.

While his sons wrestled at Brecksville HS, Nick convinced the Athletic Director and coaches that it would be in the best interest of the wrestling program for them to devote their time and energy to coaching and let him, with their input, manage the Brecksville Invitational Holiday Wrestling Tournament (BIHT). He became director in 1997.

He states: "Our main focus was to take the BIHT to premier status in all aspects of the sport: competition, officiating, and management, with a fan friendly atmosphere. Several of us work all year on this event subscribing to a philosophy of 'continuous improvement' as a goal".

The BIHT had its beginnings on DEC 1961 and has been held continuously for 55 years and running during the Xmas to New Year's holiday week. The tournament increased its field of teams from 20 in 1996 to 49 this year. Although the BIHT is highly competitive, using underclass State qualifiers and placers as a school's invitation criteria, it is not an elitist event. Schools with full teams are desired, while schools seeking to enter a partial team of only their top wrestlers are not allowed. Nick's association with the BIHT goes deeper than Tournament Director. He also wrestled in the inaugural event of DEC 1961.

Nick also functions as director for the Junior High District tournament held annually at Brecksville-Broadview Hts. HS. This event serves as a qualifier for the Ohio Athletic Committee's Junior High State Tournament.

Nick and his wife Nancy have been married for 47 years and are 40 year residents of Brecksville with three adult children.

Ohio High School Wrestling Coaches Association Media Service Award Recipient

2016 Media Service Award Winner Karl Yunker - Napoleon WNDH Radio

Karl began covering wrestling for WNDH (Napoleon) radio in 1998. He started covering the Sectional, District and State Championships in 2000. He has witnessed first time state champs, as well as four-time state champs. He saw a young lady (Paige Nemec) break through the gender barrier by not only competing at the state tournament level, but winning at that level. He saw a young man (Dustin Carter) awe and inspire an arena of more than 10,000 people by competing and winning as a quadruple amputee.

As a coach, he coached two sectional championship teams, multiple district qualifiers, eight state qualifiers and two state placers. Karl was named the Greater Toledo Wrestling Coaches Association Coach of the Year in 1993.

Karl says he has seen and been involved with many high school sports at the state championship level and in his opinion, no sport honors and recognizes its athletes better than wrestling, nor is there a sport family more closely knit than the wrestling family.

Karl has been married to his wife, Julie, for almost 26 years. They have four children, including Derek (deceased), David (20), Stephen (17) and Jessica (12).

Since 1995, a media member has been honored at the OHSAA State Wrestling Tournaments for his or her outstanding dedication and service in covering the sport of interscholastic wrestling. The honoree will also be presented a plaque in ceremonies prior to the third session on Friday evening.

For the first two years of the award, the honoree was selected by state tournament management. Beginning at the 1996 state tournament, a system was established whereby media members covering the state finals select the winner for the following year. The previous winners have been:

It All Started With Casey

By Daniel L. Cutcher

When Casey Fredericks was hired as wrestling coach at The Ohio State University in the early 1930's, only 4 schools outside of Cleveland had wrestling programs. These included Upper Arlington, Worthington, Bridgeport and Shadyside. He quickly realized the need to develop the sport from the ground up, so he enlisted help from many sources, including professional wrestling promoters, the OHSAA and local high schools, talking to football coaches, principals and parents groups. Casey constantly put on demonstrations, often loaning mats and other gear.

It quickly became apparent there was a need for a professional crew of people to make sure everyone played fair but at the time there were no rules. Everyone had different ideas of what scoring was. Most meets were officiated by the coaches.

Casey turned to his assistant coach, A.J. "Tony" Montonaro, to help with this task. Tony began to travel throughout Ohio with his developed notebook of rules and taught these rules and mechanics to official groups.

In 1965 the NCAA (college) and NFHS (high school) national associations decided it was time to have one set of rules. They invited Tony to Chicago for a meeting and used his notebook as the basis for the first national rulebook in 1966.

In the early 70's Tony retired and Vince Matteucci and Stamatis Bulgaris replaced him. Stamatis went back to coaching in the late 70's and Lyle Smith took over as rules interpreter.

Vince retired in 2011 and Lyle followed in 2013, leaving Dick Loewenstine, Ray Anthony, and Jim Vreeland to carry on the task of developing officials and promoting consistency throughout the state.
