I. Introduction
Sports officiating can be a fulfilling and challenging avocation. This activity provides individuals with opportunities for physical fitness, earning extra income, meeting people, goal setting, continuing education, and public service. Most importantly, officiating interscholastic sports provides officials with the privilege to play a vital role in the education of student-athletes.

An interscholastic sports official is an important contributor to the development of young men and women. Because of this role, every official is expected to be a person of good character, integrity and free of racial, religious and personal bias. The sports official represents the very integrity of the game.

Ohio interscholastic sports officials are required to obtain an officiating permit from the Ohio High School Athletic Association (OHSAA). The oversight of the OHSAA interscholastic sports officiating program is the responsibility of the OHSAA Director’s office.

Officiating is a privilege, not a right. Officials that are unfair or biased, exhibit a lack of physical or mental fitness or fail to comply with OHSAA administrative requirements or exhibit questionable conduct on or off the playing surface can be penalized. The OHSAA reserves the express authority to suspend or permanently revoke any officiating permit.

II. Officiating Program Mission
Creating a competent community of sports officials who play a key role in developing Ohio student-athletes into good citizens of tomorrow.

III. Officiating Program Goals
• Recruit men and women of diversity into sports officiating
• Train prospective officials in order that they will have the entry level skills needed to enjoy officiating and competently manage lower level contests. In addition, train and educate the current officiating community in order to manage contests of all levels
• Support officials and their activities
• Reward officials through advancement opportunities, tournament assignments and enhanced fees
• Recognize officials and their achievements
• Develop leadership of local association officers, assigners, instructors and others

IV. Statement of Beliefs
• WE believe that the recruitment of officials is most successful by individuals through local associations.
• WE believe that training leads to enjoyment in officiating and in turn leads to retention of officials.
• WE believe that continuing education leads to talented and competent officials.
• WE believe that the OHSAA must support officials through training, education and action.
• WE believe that reward and recognition of officials creates enthusiastic officials.
• WE believe that strong leadership must be present in all local officials associations.
• WE believe that a strong officiating program and competent officials create a positive experience for student-athletes.
V. **Officiating Code of Ethics**

Schools have entrusted the OHSAA and sports officials to assist them in the education and development of their youth through athletics. The proper operation of such a process requires that officials be independent, impartial and responsible to people they serve. In recognition of these expectations there is hereby established a Code of Ethics for all officials. The purpose of the code is to establish guidelines for ethical standards of conduct for all officials.

- **An Official** must devote time, thought and study to the rules of the game and the mechanics necessary to carry out these rules so that one may render effective and creditable service in a fair and unbiased manner.

- **An Official** must work with fellow officials and the state association in a spirit of harmony and cooperation in spite of differences of opinion that may arise during debate of issues.

- **An Official** must resist every temptation and outside pressure to use one’s position as an official to benefit oneself. Under all circumstances, officials must avoid promoting the special interest of any person or group of persons other than the athletes we serve.

- **An Official** must constantly uphold the honor and dignity of the officiating industry in all personal conduct and relations with student-athletes, coaches, athletic directors, school administrators, colleagues, and the public, to be a worthy example to the athletes under one’s jurisdiction.

- **An Official** will be prepared both physically and mentally, dress according to expectations of sport standards, and maintain a proper appearance that is befitting the importance of the game.

- **An Official** shall avoid the use of tobacco and tobacco products at the contest site.

- **An Official** shall not consume alcohol (or any illegal/illicit drug or controlled substance) prior to or during the contest.

- **An Official** must remember and recognize that it is important to honor contracts regardless of possible inconvenience or financial loss. Every member of the officiating profession carries a responsibility to act in a manner becoming a professional person. The conduct of any official influences the attitude of the public toward the profession in general as well as toward the official in particular.

- **An Official** shall not delay the process of completing and returning paperwork provided by a site needed to process the game payments and will provide a W-9 when requested.

ii. Coaches rate officials on a 1-5 scale for each Varsity game. If an official receives fewer than 15 ratings, the official receives a rating of 2.5 for each rating fewer than 15. The official's highest three and lowest five ratings are deleted and the officials remaining ratings are used to determine the mean, median and mode of the official's ratings. Those three are totaled for a possible maximum score of 15. When this system is not available due to technological limitations, coaches will vote for officials, capped at 15.

    various levels of the tournaments.

viii. The state/regional pool is approximately three times the number of officials needed.

a. The district/sectional pool is approximately twice as large as the number of officials
   to be assigned. It may be subdivided into district, sectional and alternate pools to
   facilitate the assigning process.

b. Tournament eligible officials complete a tournament questionnaire through their
   myOHSAA account.

c. Upon completion of the questionnaire process, the rankings and pools are reviewed to
   make certain there are enough officials in each pool.

d. Regional and state assignments are finalized by one or more individuals including
   directors of officiating and OHSAA staff.

*Note: Members of Track and Field Games Committees for Regional and State Tournaments will receive a $45.00 fee. The coach’s representatives to the Games Committee will receive the regular travel payment for the State Tournament only. Where practical, the tournament site manager should have checks ready with correct pay not later than the conclusion of the contest.
A. **Travel Allowance** – Officials shall receive a travel stipend that is calculated by using the following formula: $1.00 per mile one way, beginning at mile 51 from the official’s home zip code to the tournament site zip code (e.g. if a tournament site is 65 miles from the official’s zip code, the official would receive a $15.00 travel stipend). The zip code used for all officials shall be the address reported by each official as the home address on their myOHSAA account. Distance shall be measured by the ArbiterSports system as the distance found from the middle of the official's zip code to the middle of the site zip code. At the state championship level of any tournament, officials will receive one travel stipend. At all other tournament levels, officials will receive the travel stipend for each day of an assignment. Alternate officials will be paid per game plus regular travel stipend. In Tournaments in which both permitted and unpermitted officials are used, the unpermitted officials will be paid 75% of the established fee plus the regular travel payment. Tournament site managers are responsible for determining the correct amount to be paid to each official, including the amount to be paid for any travel payment.

B. **Cancellations** – If an official is notified of a cancellation, or rescheduling, prior to departure the official will not receive any compensation. If an official is notified en route, or after the official arrives and the tournament contest is not started, the official will receive the travel stipend, but not the game fee. In such cases the payment will be a minimum of $50.00 for State, $40 for Regional and $30 for Sectional/District. If after the official arrives, the tournament contest is started and is interrupted due to weather or other reasons, and not completed on the day scheduled, the official will receive full payment. An official completing an interrupted contest on another day will receive full payment. In extraordinary cases, due to weather or other unanticipated occurrences, the District Athletic Boards (Sectional & District) or State Office (Regional or State) may approve payments to officials to compensate them for expenses incurred.

C. **Alternate** – When an alternate is used as a game official (minimum of one play) the alternate will receive full game pay.

D. OHSAA reserves the right to cancel any tournament assignment when deemed in the best interest of the organization.

E. The full OHSAA tournament contract can be found here - http://ohsaa.org/Portals/0/Officiating/forms/OfficiatingCertificate.pdf

XII. **Professional Association Membership**

1. **NFHS Officials Association**

   A. Every OHSAA official is enrolled in the NFHS Officials Association. The NFHS Officials Association offers several components for OHSAA officials at no additional cost: an education program, a national awards program, publications, searchable rules data base on-line and on-line rules videos. These can be accessed through the NFHS Central Hub. Go to the NFHS website at www.nfhs.org. Select the Officials area and click on the provided link to experience the NFHS Central Hub, an exclusive online benefit for NFHS Officials Association members. Once on the NFHS Central Hub Home Page, you can sign in the upper right hand corner. To sign in, use your email address and your last name as your password. If that does not work, you can use the “Forgot Password” link and the Central Hub will email you your password.
2. National Association of Sports Officials – Organizations Network (NASO-ON)
   A. All OHSAA local officials associations have the option to enroll in NASO-ON, which is a program designed to assist local association leaders. In addition to being a guide for local association management, NASO-ON membership allows associations’ free access to all NASO educational materials. Individual OHSAA officials may join the National Association of Sports Officials for a fee. Visit NASO’s website at www.NASO.org for additional information.

x. Limit rules discussions to high school rules only – avoid discussion of other rules codes.

xi. Be considerate of all members of your association. Understand that some questions you receive will be very basic but don’t discourage officials from asking questions. Have the temperament to work with officials of all levels.

xii. Develop the ability in your association to utilize current technology including video and film when available. This could be done personally by the interpreter or through another member.

XVII. Addendum B: OHSAA Guide to Officials: Being a Good Guest

Sport officials play an important and integral role in the fulfillment of contests providing educational value to high school young men and women. Our conduct and handling of situations provides an important contribution to the development of participants and high school spectators. You represent the very integrity of the game. Your conduct before, during, and after the contest will reflect and ultimately shape attitudes towards authority figures and sports officials in general. As a contest official, you represent not only yourself and your respective association, but all officials and the OHSAA.

Prior to the Contest
1. Respond promptly to a contract offer to officiate.
2. If the school attempts to contact you to confirm the game, inform you of changes or important details such as change of venue, opponent, Senior Night, time, respond promptly. Return all calls and emails timely and professionally.
3. Call the school to confirm if the school has not called you. Leave your cell phone number if available. If possible, obtain a contact and number that you can call if a last minute issue arrives.
4. Email the Athletic Director. Secure a phone number to call on the day of the contest if travel complications arise.
5. Get directions so you know where the contest is held, particularly if it is not on school grounds.

Arrival at the Site
1. Be courteous to all you meet. The memory of your conduct will last long after the game.
2. Park intelligently. Avoid areas where boosters may be congregating. If officiating a sport where your locker room is the parking lot – be aware of what can be seen. Be discreet and as invisible as possible.
3. Let the AD/coach know you are at the site.
4. Dress in a manner that reflects well upon yourself, other officials, and the OHSAA. Be mindful of team colors in your dress. Dressing in a bright red shirt as you officiate the “Big Red” may cause some speculation from an opponent.

Dressing Room
1. Check to see if there are changes to the event schedule.
2. Take care of any requested paperwork or vouchers.
3. Treat the dressing room appropriately and respectfully. Leave it in better shape than when you arrived. Place all towels that were provided in one central area.
4. Don’t leave bottles or trash strewn about. Gather and secure all trash in appropriate containers as you leave. Leave the room or area in better condition than how you found it.
5. If the game was on an outside venue, don’t clean your shoes on the walls or floors.
6. Realize that not every school will be able to provide food or drink. Do not take any frustration out on those helping you or working the concession stand. Treat everyone you encounter with respect and dignity.
7. Don’t expect or ask for any special favors or entitlements. You are there to officiate, not be honored.
8. Appreciate whatever is provided.
9. Say “please” and “thank you” and “you are welcome.” They go a long way.
Contest Site

1. Arrive ahead of time; be there as the respective sport requires.
2. Enter together, as a crew. Leave together, as a team.
3. Be friendly, yet firm as needed in gaining cooperation to have any site needed changes made. Explain the need. Be patient; be understanding; but be professionally firm. It is about the players.
4. Ignore the fans unless they are inciting players on the opposing team, using insulting/offensive/abusive language. Do not tolerate gestures or behavior that prevents you from performing your role.
5. Smile occasionally. Let your body language reflect that you are glad to be at the game.
6. Most schools have a no tobacco policy for their premises. Respect their policy and abide by it. Do not use tobacco while on school grounds or fields.

After the Game

1. Shower and pack in a timely manner. Don’t hang around. School personnel want to leave as well.
2. Ensure the dressing room is tidy and picked up. Turn off all showers and leave towels in one place. Turn off lights as you leave.
3. Leave with only what you brought. Take no towels, balls, souvenirs.
4. Thank those who helped you. Be gracious even if you were not treated as you deserved.
5. Don’t leave any trash/bottles/etc. in the parking lot as you leave.
6. Be the guest whom the host wants to have return.

Some officials bring joy wherever they are; other officials bring joy only whenever they leave.
XVIII. Addendum C: OHSAA Guide to Being a Good Host

In general, treat officials in the same manner as a guest in your home. Your fans, supporters, coaches, and players will emulate how you treat officials. Show how you value the role officials perform by treating them with respect and in a professional manner.

Introduction

Officials play an extremely important, integral role in an interscholastic athletic event. Yet we are facing an increasing shortage of officials in most sports and activities. How one hosts and treats officials when the event is their responsibility speaks volumes in showing the respect and appreciation for their role, effort, and hard work in these educational contests. Providing officials with a welcoming atmosphere and basic essentials for the several hours they will be at your event will benefit everyone. By showing your appreciation, more officials will continue in this avocation and will help the OHSAA to continue to build and maintain a strong base of experienced, competent officials.

The OHSAA recognizes that the school administration has many duties and responsibilities on game day and nights. There are also limitations with regard to facilities, funding, and staffing. It is our hope that you will consider the suggestions provided in this publication and put into practice as many as possible. Officials ask no more than what you expect of them – to give it your best. Thank you for hosting and treating officials in the best possible manner. Ultimately, it is in your best interest.

Prior to the Contest

1. Ensure there are contracts for all your games and activities.
2. Obtain the list of the officials assigned to your games and double check dates/times/locations.
3. Have an alphabetical list of your upcoming event officials along with contact numbers in case of a cancellation/postponement/delay.
4. Officials are to contact you to confirm date, time, and site several days in advance of the contest. If you do not hear from an official, do not assume all is okay.
5. Inform officials of any special parking instructions, who will be there to meet them upon their arrival, and details of any special ceremonies such as homecoming, senior night, etc.
6. Notify officials when there are changes, postponements, or delays.
7. Take appropriate measures to provide security for officials before, during, and after the game.
8. Insure that the playing surface/field is properly prepared for the contest: well-maintained; lined properly; team and official areas marked in accordance with NFHS diagrams; no safety hazards; scoreboards and horns/buzzers operating; PA system in working condition.
9. Provide trained individuals to perform needed game functions – scorekeepers, timers, table workers, announcers, site managers. Have at least one experienced individual on site.
10. Provide proper medical personnel at the contest. Notify the officials who they are and where they will be during the event. If there are special procedures for requesting emergency medical assistance, please advise the officials. Let the officials know where safe shelter is located in the event of inclement weather or a weather emergency.

Day of the Event

1. Reserve appropriate number of parking spots for officials.
2. Have your host greet and meet the officials upon their arrival and escort them to their dressing room.

3. Provide a clean, spacious private area to be used as a dressing and/or meeting room. If there are male and female officials, provide appropriate accommodations for everyone.
   a. The facility should have a toilet and a shower if possible. Make sure there are enough chairs and lockers that can be locked available.
   b. The areas should not be used by coaches or other school personnel during the contest.
   c. Provide water, sport/energy drinks, soda for half-time and after the game. Having a cooler with the drinks in them is very convenient.
   d. Officials will spend several hours or more in getting to, working, and leaving the contest. Many will not have eaten for many hours so some snacks are most appreciated.
   e. Provide towels if possible.
   f. Insure the showers are working and providing hot water.
   g. Escort the officials to and from the dressing room. Notify them of time remaining at half-time. Be sure to lock the room when the officials leave and have the room unlocked prior to the officials returning. Having to wait for the room to be unlocked provides an opportunity for unfortunate situations.

4. Provide officials with any needed instructions for the contest: pre-game times, names of bench personnel, and information on special pre-game or half-time ceremonies.

5. Make sure the officials are aware of any special conference policies or procedures.

6. Have needed paperwork for game payment available upon the officials’ arrival. Provide proper security for the completed papers. Make them aware of when the check should be mailed.

7. Provide officials with properly inflated game balls, pucks, softballs, baseballs, etc. Have extras available if needed.

**During the Contest**

1. Set high expectations with your coaches in regard to their sportsmanship and behavior and insist they do the same with their players. If coaches and players role model proper behavior towards an official, the fans may behave properly.

2. Read the OHSAA statement about sportsmanship and officials.

3. Introduce the officials prior to the starting lineups.

4. Make sure site managers understand clear instructions as to their duties and responsibilities.

5. Ensure proper arrangements have been made and that plans are in place to contact appropriate personnel in case of an emergency.

6. Keep all locker rooms, dressing areas, and other areas used by officials, players, and coaches clear from unauthorized personnel.

7. Have trainers and doctors available when possible.

8. Make arrangements to have supplies available to clean up any blood/bodily fluids. Provide proper maintenance to clean floors, wrestling mats, etc. as needed.

9. Have someone carefully observe the contest and the spectators and be prepared to handle problems as necessary and appropriate. Handle those that might directly affect the officials and their ability to work the game.

10. Be prepared to support officials and assist fully with any request that they may have in regard to problems with spectators. Remove a spectator when requested or needed.
11. Inform the officials of the best means to find and communicate with you or the site manager during the contest.
12. If necessary, have someone serve as ball personnel (football, soccer); retrieve balls (volleyball, basketball), return foul balls (baseball, softball).
   a. Require Chain Crew and the Timer to meet with the Football crew prior to the game.
   b. Have someone notify the Basketball crew when there are 3 minutes left before the end of the halftime intermission.

After the Contest
1. Provide an escort to ensure that the officials return safely to their dressing rooms.
2. Do not allow unauthorized individuals access to the officials.
3. Provide refreshments for the officials after the contest whenever possible.
4. Be prepared to provide an escort for the officials to their cars when needed.
5. Regardless of the outcome, show respect and appreciation for their hard work and efforts. Thank the officials, and better yet, have your players and coaches thank them.
6. Have your coach submit officials’ ratings on-line in an appropriate, timely manner.
