Welcome to the Regional Finals!
Regional boundary lines were drawn back in June, and now the championship games in those regions have arrived as the third round of the OHSAA football playoffs are this weekend. Division I, II, IV and VI games are Friday at 7:30 p.m., and Division III, V and VII games are Saturday at 7 p.m.

The OHSAA has selected neutral sites based on the best available sites after a number of factors have been evaluated. The regional playoffs follow bracket format, with the top team on the bracket designated as the home team (see brackets posted at OHSAA.org).

State Semifinal Pairings
Later this week, the OHSAA will announce how the regional champions in several divisions will be paired in the state semifinals Nov. 25-26. The regional champion pairings in some divisions, however, will not be determined until after the regional finals this weekend. Note that state semifinal pairings are based on geography.

Fifteen is the Number
Fifteen of the 28 No. 1 seeds have advanced to the regional final. The playoffs began with 31 undefeated teams. Fifteen remain.

Media Credentials for the Regional Finals
The regional playoff brackets posted at OHSAA.org include the contact information for media coordinators at each site. Media are to contact the host site media coordinators before 3 p.m. Tuesday, at which time the media coordinators will determine approved credentials using the OHSAA’s press box priority seating scale posted on the football page at OHSAA.org. Note that only Time Warner Cable SportsChannel can provide live video, and TWC has exclusivity of the games it selects (see later note). All other play-by-play video telecasts cannot begin until 11:30 p.m.

Playoff Format and Schedule
Unless otherwise noted, Divisions I, II, IV and VI play at 7:30 p.m. on Fridays during the playoffs, while Divisions III, V and VII play at 7 p.m. on Saturdays. Occasionally, that schedule changes during the first round is due to the host site having to share the stadium with another school (high school or college) or the site not having lights. In rounds two through four, any changes are typically due to a site hosting a playoff double-header.

Of the four divisions that play their playoff games on Friday nights, one will be selected to play its state championship game on Thursday, Dec. 1. The other three will play their state championship games on Friday, Dec. 2. Divisions III, V and VII will play their state championship games on Saturday, Dec. 3. The OHSAA will announce the state championship game schedule for Divisions I, II, IV and VI at approximately 10 p.m. on Friday, Nov. 25, while the championship schedule for Divisions III, V and VII will be announced at approximately 10 p.m. on Saturday, Nov. 26. The announcements will be made on the OHSAA's twitter account (@OHSAASports) and in the weekly release on Sunday, Nov. 27.

In the Beginning... to Seven Divisions
When the OHSAA created the football playoffs in 1972, there were three divisions (called Class A, AA and AAA) and only one playoff qualifier per region (12 total playoff qualifiers). Now in its 45th year, the postseason has expanded to seven divisions and 224 total playoff qualifiers. Expansion occurred in 1980 to five divisions and two qualifiers per region, and then again in 1985 to four qualifiers per region. In 1994, a sixth division was added, while in 1999, the number of qualifiers per region increased to eight. The playoffs expanded to seven divisions in 2013.

Media Information
Credentials for Playoff Games
For the first four rounds of the playoffs, media must contact the host site’s media coordinator by 3 p.m. on Tuesday. Contact information for the media coordinator for each game will be posted within the brackets at OHSAA.org. Media coordinators will work with the athletic director of the schools and follow the OHSAA’s press box priority seating scale posted at http://bit.ly/2eoqSFS

Playoff Games On TV

of its choosing. The No. 8 seed will play at the No. 1 seed, the No. 7 seed at No. 2, etc.

Regional Semifinals (Nov. 11-12), Regional Finals (Nov. 18-19) and State Semifinals (Nov. 25-26): Neutral sites are selected by the OHSAA. There are many factors that go into determining playoff sites, such as quality of field surface, seating capacity, quality of lighting, size of locker rooms and distance from field, press box size, parking spaces available, and a separate locker room for officials. After all those factors are taken into consideration, it must be confirmed that the site is available and willing to host a playoff game on the date needed.

Ticket Information
Fans are encouraged to buy their playoff tickets in advance at the participating schools, which keep a percentage of the revenue. For regional playoff games, tickets are $8 presale and $9 at the gate. All-session ticket books are currently on sale for the state championship games at http://go.osu.edu/OHSAAFBTix. All-session ticket books in the club level, which are the chair-back seats on the west side of the stadium, are $105 each (good for all seven games) and also permit indoor access in the Huntington Club before, during and after each game. All-session reserved ticket books on the east side of the stadium, which don’t include indoor access, are $84 each. Single game tickets will go on sale November 22 and cost $10 at the state finalist schools, or at the gate before each game for $15 (club level) and $12 (reserved).

Building on History
See pages 12-19 in this release for the playoff histories of each school that has qualified for the 2016 playoffs.

Championship Games in Ohio Stadium
After hosting the OHSAA state championship games in Columbus throughout the 1980s, natural grass was installed in Ohio Stadium in Columbus in the spring of 1990 and OSU asked the OHSAA to move its football state championship games to another location.

The OHSAA found a home in Stark County, with Canton Fawcett Stadium and Massillon Paul Brown Tiger Stadium sharing the state championship games for 24 years until 2014 when the finals returned to the ‘Shoe.

The current contract for the OHSAA football state championship games initially included two years at Ohio Stadium (2014 and 2015), and an additional year was added for 2016 due to the stadium renovations underway in Canton. There is currently no contract in place for the football finals after 2016, but the OHSAA intends to move the finals back to Stark County for 2017 and 2018.

Setting Up the State Championships
Since 2013, the time slots for the state championship games are not announced until the night of the state semfinals. Of the divisions that play their playoff games on Friday nights during the playoffs (I, II, IV and VI), one will be selected to play its state championship on Thursday, Dec. 1 at 7:30 p.m. The schedule for the state championship games is as follows:

Defending State Champions
All seven state champions from 2015 have advanced to the regional finals. They include Lakewood St. Edward (Div. I), Cincinnati La Salle (Div. II), Akron Archbishop Hoban (Div. III), Columbus Bishop Hartley (Div. IV), Coldwater (Div. V), Kirtland (Div. VI) and Fort Recovery (Div. VII).

Consecutive Playoff Wins
Not only did Maria Stein Marion Local reach the state championship game for the fifth-straight year in 2015, the Flyers set a new OHSAA record for consecutive playoff victories with 24 before falling to Kirtland in the Div. VI state championship game. Not far behind is fellow-MAC member and four-time defending state champion Coldwater with 22-straight playoff wins.

MAC Builds on Success
The highly successful Midwest Athletic Conference is now 65-2 in first round playoff games against non-MAC schools since the
playoffs expanded to eight qualifiers per region in 1999. (The two losses include a Versailles loss to Lima Central Catholic in 2005 and a Delphos St. John’s loss to Arlington in 2014.) The MAC is 49-13 against non-MAC schools in OHSAA regional championship games. The MAC is now 33-7 in state semifinal games against non-MAC schools.

In 2014, the MAC became the first league to have three of its members win football state championships in the same season (Coldwater in Div. V, Minster in Div. VI and Maria Stein Marion Local in Div. VII). The MAC had won two state championships in the same season five times, but never three titles. In 2015, three MAC schools again played in state championship games, with Coldwater winning in Div. V and Fort Recovery winning in Div. VII, while Marion Local fell to Kirtland in Div. VI. Those three communities, all located in Mercer County, are all less than 15 miles apart. Hugging the Ohio-Indiana state line, Mercer County has a total population of 40,784 (as of 2013).

The MAC currently owns 114 various OHSAA state team championships.

Proving the Pollsters
Thirty four of the 70 teams that appeared in the final Associated Press poll are still alive in the playoffs. Four of the seven teams that won poll championships are still playing, including Toledo Central Catholic (Div. III), Kettering Archbishop Alter (Div. IV), Wheelersburg (Div. V) and Maria Stein Marion Local (Div. VI). The final AP polls appear on page 7 of this packet.

All 70 teams that appeared in the final AP poll earned a playoff berth. Those 70 teams went 58-12 in the first round of the playoffs. Of those 58 wins, 55 were home games for the ranked team, while three ranked teams won on the road in the first round, including Trotwood-Madison (Div. III), Columbus Bishop Hartley (Div. IV), Swanton (Div. V) and Fort Recovery (Div. VII).

Last year, the only teams to be ranked No. 1 in the final poll and go on to win a state championship were Lakewood St. Edward in Div. I and Coldwater in Div. V.

Seven Teams Make School History
Entering the 2016 season, 70 OHSAA member schools had never made the football playoffs. That number shrank by eight last week, as Hilliard Bradley (Div. I), Columbus West (Div. II), Akron East (Div. III), Bellefontaine Ben Logan (Div. IV), Cincinnati Aiken (Div. V), Lakeside Danbury (VIII), McGuffey Upper Scioto Valley (Div. VII) and Cincinnati Hillcrest Academy (Div. VII) all made the playoffs for the first time in their school’s history. Last year, another eight schools made the playoffs for the first time, including Toledo Start (Div. I), Dayton Belmont (Div. III), Lewistown Indian Lake (Div. IV), Byesville Meadowbrook (Div. IV), Magnolia Sandy Valley (Div. V), Bidwell River Valley (Div. V), Bethel-Tate (Div. V) and North Jackson-Milton (Div. VII). The number of first-time playoff participants since 2000 includes eight in 2016, eight in 2015, 10 in 2014, two in 2013, seven in 2012, eight in 2011, six in 2010, 14 in 2009, 12 in 2008, 14 in 2007, 10 in 2006, 12 in 2005, 16 in 2004, 12 in 2003, 21 in 2002, 17 in 2001 and 26 in 2000.

Since 1999 when the number of regional qualifiers was expanded to 32 teams per division and the first-round game has been played at the higher seed, 209 schools have made their school’s first play-off appearance. In those games, the playoff newcomers went 26-23 (.531) at home, 19-128 (.129) when playing on the road and 3-10 (.231) when playing at a neutral site.

Speaking of Making History...
While eight schools made the playoffs for the first time, Newark Catholic has now made the playoffs for a state record 35th time.

OHSAA PLAYOFF APPEARANCES
1. Newark Catholic, 35
2. Cincinnati Archbishop Moeller, 33
3. Ironton, 33
4. Mogadore, 30
5. Steubenville, 29

Playoff Streaks
Coldwater owns the longest active streak of qualifying for the playoffs at 20 straight years. In fact, the Cavaliers have been to the state championship game the last seven years. Newark Catholic owns the record with eight straight title game appearances from 1980-87 followed by Cleveland St. Ignatiuss with six in a row from 1991-96. Until 2012, Columbus St. Francis DeSales had owned the longest active streak at 18-straight years, but the Stallions missed the playoffs that season. After Coldwater, the second-longest active streak is held by Mogadore at 18 straight playoff years. The all-time longest streak of consecutive years making the playoffs is 22 years by Cleveland St. Ignatius from 1988 through 2009.

School | Consecutive Years in Playoffs (Years)
--- | ---
Cleveland St. Ignatius | 22 (1988-2009)
* Coldwater | 20 (1997-2016)
* Columbus St. Francis DeSales | 18 (1994-2011)
* Mogadore | 18 (1999-2016)
* Kettering Archbishop Alter | 16 (2001-2016)
* Steubenville | 16 (2001-2016)
* Clarksville Clinton-Massie | 14 (2002-2015)
* Cin. Archbishop Moeller | 13 (2002-2014)

First Round Success
Two schools have an amazing success rate in the first round of the playoffs. St. Henry has been in the playoffs 16 times and is 16-0 in first-round playoff games. Cincinnati Colerain is 19-0, although one of its first-round games (1995) was later forfeited. In addition, three schools won their first-round playoff game nine straight years before losing, including Germantown Valley View, Mogadore and Newark Licking Valley.

Week 10 Movers
Many schools needed to win their final regular-season game to clinch a playoff berth. But several schools needed to win and get some help to vault into the Top 8 in their region after being outside the playoff field last week. The biggest movers were West Liberty-Salem in Div. IV, Region 15, which was 13th in its region last week, and Bay Village Bay in Div. III, Region 10, which was also 13th last week. Elsewhere, Dayton Belmont in Div. III, Region 12, was 11th in its region last week and lost its Week 10 game, but moved up to No. 8 due to forfeitures of another team. Blanchester (Div. V, Region 20), was 11th last week and moved up to eighth in the final ratings. Four other schools were 10th in their region last week and moved up into the playoff field this week, including Parma Heights Holy Name (Div. IV, Region 13), Jeromesville Hillsdale (Div. VI,
Welcome Back
Several schools are back in the playoffs this year after being out of the postseason for several years. The longest of which is by Barberton, which is back for the first time since 1998. In 2015, several schools made the playoffs after long absences, including Burton Berkshire (Div. V, Region 15, last appearance was in 1981), Holland Springfield (Div. II, Region 4, last appearance was in 1994) and Swanton (Div. V, Region 16, last appearance was in 1995). In 2013, Norwalk was back in the playoffs for the first time since winning a state championship in 1974.

Division II Finalists Continue to Be the New Kids on the Block
When the OHSAA expanded the football playoffs to seven divisions in 2013 and made Division I smaller (including only the largest 72 schools in the state), one of the resulting effects was that many schools that used to be “small” Div. I schools were now in Div. II. Since then, many Div. II schools have made their schools’ deepest playoff runs. That began with Loveland in 2013 and continued with Cincinnati La Salle in 2014. Both schools not only won their first-ever playoff games those seasons, but went on to win the Div. II state title. That fact was evidenced again in 2015 as the Div. II state semifinalist Massillon Perry made its first appearance in the “final four.”

Before the Playoffs...
Historians have found that in most years since 1895, the media or a specific organization named an Ohio high school football state champion. The Associated Press began its polls in 1947 and the OHSAA created the playoffs in 1972. The research of mythical state champions dating back to 1895 has been compiled on the football page at OHSAA.org.

Skyview Networks to Provide Satellite Distribution of OHSAA Radio Network Football Championship Broadcasts

Satellite provider for Ohio's pro teams to distribute OHSAA football finals from Ohio Stadium Dec. 1-3

COLUMBUS, Ohio – Skyview Networks, the radio broadcast satellite provider for Ohio’s professional sports teams including the Cavs, Blue Jackets, Reds, Indians, Bengals and Browns, will once again distribute the OHSAA Radio Network broadcasts of the 2016 football state championship games. The football championship broadcasts, which had 41 affiliates last year, return to Ohio Stadium in Columbus December 1, 2 and 3.

“Skyview Networks is pleased to partner with the OHSAA Radio Network to deliver state championship broadcasts to its affiliates,” said Matt Stys, Vice President of Business Development for Skyview Networks. “The football state championships in Ohio are a prestigious event and we are proud to add that to our client base, which includes hundreds of college and professional teams, many of which are in Ohio. The OHSAA Radio Network continues to grow every year and we look forward to being a part of that growth and service.”

Specializing in news and sports programming, Skyview Networks was formed in 1995 to provide broadcast services in the form of distribution, automation, and inventory management, as well as content for the radio industry. Combining cutting-edge technology, extensive resources and unmatched industry expertise, Skyview Networks is the partner of choice for advertisers, radio stations and sports organizations throughout North America.

Skyview Networks is already the satellite provider of the aforementioned professional teams in Ohio along with ABC News Radio and ABC Sports Radio, meaning that most stations in Ohio already have Skyview Networks receivers and can automate the broadcasts.

The OHSAA Radio Network, which has been carried by 76 stations across Ohio, West Virginia and Kentucky, was created in 2010 to provide exceptional radio broadcasts of selected OHSAA state tournaments and partner with local affiliates to carry those broadcasts, along with public service announcements and promotional messages. Stations that carry broadcasts receive discounts or waivers for the rights fees they would normally pay to broadcast OHSAA regional and state tournaments.

Playoff Preview Show

The OHSAA Radio Network will produce and distribute a football playoff preview show on Tuesday, Nov. 1. The 55 minute show will include two local breaks and will go around the state to preview each division. A link to the show will be emailed to stations for download.
