Welcome to Week 12
Last week, 224 schools qualified for the 2018 OHSAA football playoffs. Now 112 remain in Week 12 for the regional semifinals, which will be played at neutral sites selected by the OHSAA. See below for more information on neutral sites.

About the Regionals, State Semifinals and Neutral Sites
The regional playoffs follow bracket format, beginning with the regional quarterfinals.

Regional Quarterfinals (Nov. 2 and 3): During the first round, the higher seed hosts the game at its home stadium or the stadium of its choosing. The No. 8 seed will play at the No. 1 seed, the No. 7 seed at No. 2, etc.

NEUTRAL SITES: Regional Semifinals (Nov. 9 and 10), Regional Finals (Nov. 16 and 17) and State Semifinals (Nov. 23 and 24): Neutral sites are selected by the OHSAA. There are many factors that go into determining playoff sites, such as quality of field surface, seating capacity, quality of lighting, size of locker rooms and distance from field, press box size, parking and a separate locker room for officials. After all those factors are taken into consideration, it must be confirmed that the site is available and willing to host a playoff game on the date needed. The OHSAA cannot mandate that a specific site be available and it is rare to have an available site exactly halfway between the two competing schools. Host sites keep revenue from concession stands and parking and they also receive a predetermined rental fee from the OHSAA, which covers game expenses.

First-Round Playoff Results by Seed
Higher seeds (home teams) went 82-30 in the first round of the playoffs last week. No. 1 seeds went 26-2, No. 2 seeds went 20-8, No. 3 seeds went 21-7 and No. 4 seeds went 15-13. The two No. 8 seeds to win at No. 1 seeds included Division III, Region 10, Rocky River (defeated Clyde 27-17) and Division VII, Region 26, Leipsic (defeated Sycamore Mohawk 40-14). In both of those regions, only one higher seed/home team won in the first round.

In 2017 playoffs, the higher seeds went 83-29 in the first round. There was one No. 8 seed that won, as Reading defeated Canston Miami East 27-25 in Div. V, Region 20. In 2016, first-round hosts won 80-32 and five No. 8 seeds won, including Avon Lake in Div. II (27-26 at Avon), Akron East in Div. III (50-37 at Marlington), Philo in Div. VI (42-7 at Heath), Garrettsville Garfield in Div. V (31-21 at Canfield South Range) and Columbus Bishop Ready in Div. VI (28-21 at Hannibal River). In 2015, first-round hosts went 81-31 and four No. 1 seeds lost.

First Round Success
Three schools continued their amazing success rate in the first round of the playoffs. St. Henry has been in the playoffs 17 times and is now 17-0 in first-round playoff games. Cincinnati Colerain is now 20-0 in the first round, although one of its first-round games (1995) was later forfeited. Also of note, since 1998, Coldwater is 21-0 in the first-round of the playoffs (22-2 all-time in the first round).

In addition, three schools won their first-round playoff game nine straight years before losing, including Germantown Valley View, Mogadore and Newark Licking Valley.

Familiar Territory
The closest geographical proximity for two teams playing in the regional semis is between Columbus Bishop Hartley and Columbus Eastmoor Academy in Div. III, Region 11. Those two schools are less than two miles apart. There are three other games in which the opponents are less than 10 miles apart, including Coldwater vs. St. Henry (5 miles, Div. VI, Region 24), Leipsic vs. McComb (11 miles, Div. VII, Region 26) and Fort Loramie vs. Sidney Lehman Catholic (11 miles, Div. VII, Region 28).

In the Beginning... to Seven Divisions
When the OHSAA created the football playoffs in 1972, there were three divisions (called Class A, AA and AAA) and only one playoff qualifier per region (12 total playoff qualifiers). Now in its 46th year, the postseason has expanded to seven divisions and 224 total playoff qualifiers. Expansion occurred in 1980 to five divisions and two qualifiers per region, and then again in 1985 to four qualifiers per region. In 1994, a sixth division was added, while in 1999, the number of qualifiers per region increased to eight. The playoffs expanded to seven divisions in 2013.

Ticket Information
Fans are encouraged to buy their playoff tickets in advance at the participating schools, which keep a percentage of the revenue. For regional playoff games, tickets are $8 presale and $9 at the gate. All-session ticket books for the state championship games are on sale. The top tier ticket option includes indoor access in the stadium club during and between games. A premium parking pass is also available for sale. Access to the Pro Football Hall of Fame is included with some ticket packages.

Proving the Pollsters
All 70 teams that were ranked in the Final Associated Press state poll qualified for the playoffs and they went 59-11 in the first round of the playoffs. Of note, in Division VII, Leipsic knocked off AP No. 1 Sycamore Mohawk, 40-14, in Region 26. In Division III, Thornville Sheridan defeated AP No. 2 Bellbrook, 27-19, in Region 10.

In 2017, all 70 teams ranked in the AP Top 10 made the playoffs and 35 of them reached the regional finals. Three poll champs in 2017 also won state titles on the field, including Trotwood-Madison (Div. III), Steubenville (Div. IV) and Maria Stein Marion Local (Div. VI). Also in 2016, two unranked teams reached the state finals, including Dresden Tri-Valley (Div. III, lost to Trotwood) and Minster (Div. VII, defeated Cuyahoga Heights).

State Championships Schedule
The state championship games return to Canton this year at Tom Benson Hall of Fame Stadium. One division will be selected to play its state championship game on Thursday, Nov. 29 (7:30 p.m. kick-off). Then there will be three state championship games on Friday, Nov. 30, followed by three championship games on Saturday, Dec. 1. Game times on Friday and Saturday are 10 a.m., 3 p.m. and 8 p.m. The divisional assignments will be announced after the state semifinal games.

Noting the Undefeated and the .500
Only 24 teams across Ohio went undefeated during the regular-season, which is the second-fewest in the playoff era (since 1972 - only 22 teams went undefeated in 2015). Last weekend in the first-round, 20 of those undefeated teams won.

There are two matchups in the regional semifinals that include undefeated teams squaring off. In Region 5, No. 1 Akron Archbishop Hoban (11-0) takes on No. 5 Garfield Heights (11-0), while in Region 26, No. 2 Edgerton (11-0) will play No. 6 Pandora-Gilboa (11-0).

Last week, three undefeated teams played their regional quarterfinal game on the road, including Garfield Heights (Div. II, 5 seed in Region 5), McDonald (Div. VI, 5 seed in Region 21) and Pandora Gilboa (Div. VII, 6 seed in Region 26).

Also of note, a record 11 teams with 5-5 records qualified for the playoffs this year. Only one of those 5-5 teams, Warren John F. Kennedy in Division VII, won their regional quarterfinal game.

Making History
Entering the 2018 season, 59 OHSAA member schools had never made the football playoffs. That number decreased by one as Springfield Northwestern (Division IV, Region 16) qualified this year for the first time (lost in first round).

The last team to win a state championship in its first year in the playoffs was Dublin Scioto in 1995.

Speaking of Making History...
Cincinnati Archbishop Moeller qualified for the playoffs for the 35th time, which ties the OHSAA record held by Newark Catholic.

MOST OHSAA PLAYOFF APPEARANCES, INCLUDING 2018:
tie-1. Newark Catholic, 35
tie-1. Cincinnati Archbishop Moeller, 35
3. Ironstone, 34
4. Mogadore, 32
5. Steubenville, 31
6. Wheelersburg, 30
tie-7. Youngstown Cardinal Mooney, 29
tie-7. Cleveland St. Ignatius, 29

Welcome Back
Several schools are back in the playoffs after a long hiatus. Two of them are in Division VII, including Ashtabula St. John (Region 25), which is back for the first time since 1987, and Franklin Furnace Green (Div. VII), which is back for the first time since 1990. In addition, Morrow Little Miami is back after last making the playoffs in 1992, and Youngstown East returns after making its last appearance in 1997. Of those those schools, only Little Miami has advanced to the second round.

In 2017, Milford (Div. I) was back in the playoffs for the first time since 1986, while Sidney (Div. II) was back for the first time since 1989. Two teams in Div. IV were also back after a long hiatus, including Pepper Pike Orange (1988) and London (1989).

In 2015, Burton Berkshire was back in the playoffs for the first time since 1981. In 2013, Norwalk was back in the playoffs for the
first time since winning the state championship in 1974.

**Coldwater Ties St. Ignatius Playoff Streak**

Coldwater has qualified for the playoffs for the 22nd-consecutive season, which ties the state record set initially by Cleveland St. Ignatius from 1988 through 2009. Coldwater recently went to the state championship game eight straight years (2009-16) to tie New-ark Catholic (1980-87) for the state record of consecutive title game appearances. Cleveland St. Ignatius went to the state championship game six years in a row (1991-96).

**Week 10 Movers**

Many schools needed to win their final regular-season game last weekend in order to clinch a playoff berth. Several schools had big wins to jump into the playoff field after being outside the Top 8 in their region heading into week 10.

A total of 22 schools were outside the Top 8 in their region heading into week 10, but qualified for the playoffs. The biggest mover was Alliance (Div. III, Region 9), which went from 12th to sixth.

**Coldwater and Marion Local Set Consecutive Playoff Wins Record**

Coldwater (streak ended in 2016) and Maria Stein Marion Local (streak ended in 2015) recently set the OHSAA record for most consecutive playoff victories with 24.

**Championship Games Return to Canton**

After hosting the OHSAA state championship games in Columbus throughout the 1980s, natural grass was installed in Ohio Stadium in Columbus in the spring of 1990 and OSU asked the OHSAA to move its football state championship games to another location. The OHSAA found a home in Stark County, with Canton Fawcett Stadium and Massillon Paul Brown Tiger Stadium sharing the state championship games for 24 years from 1990-2013. The finals returned to Columbus from 2014-16 before returning to Canton for 2017 and 2018.

**MAC Builds on Success**

(By Gary Rasberry, Celina Daily Standard) The Midwest Athletic Conference started in 1973, but it wasn’t until 1989 that the conference began its run of football dominance of the smaller divisions. From 1989, when Minster won the conference’s first state title, to 2015 when Port Recovery won its first-ever state title and Coldwater captured its sixth since 2005, the MAC has been regular visitors to the state championships game. In that span, the MAC has been missing from State Championship Weekend only three years (1991, 1993 and 2002). In 2003, Versailles, a five-time state champion before joining in the MAC in 2000, won its first MAC state football title, starting a streak where the MAC has brought home at least one title from either Stark County (Massillon or Canton) or Ohio Stadium every season except the 2009 season. In 2005, the MAC had its first double-championship weekend as Coldwater won the Division IV title in Canton and Delphos St. John’s won the Division VI state title a few hours later in Massillon. The MAC has had two football state champions eight times since 2005 (2005, 2006, 2007, 2012, 2013, 2014, 2015 and 2017).

In 2014, the MAC made state history in becoming the first conference to win three state football championship titles in the same season Coldwater, Minster and Marion Local swept Divisions V, VI and VII. The MAC is 4-1 in Div. VII state championship games.

The MAC is 68-3 in first round playoff games against non-MAC schools since the playoffs expanded to eight qualifiers per region in 1999. (The three losses include a Versailles loss to Lima Central Catholic in 2005, a Delphos St. John’s loss to Arlington in 2014 and an Anna loss to Middletown Madison in 2017.) The MAC is 51-13 against non-MAC schools in OHSAA regional championship games. The MAC is 36-7 in state semifinal games against non-MAC schools.

As of November 4, 2018, the MAC has won 128 various OHSAA state team championships, including 33 in football.

**Before the Playoffs...**

Historians have found that in most years since 1895, the media or a specific organization named an Ohio high school football state champion. The Associated Press began its polls in 1947 and the OHSAA created the playoffs in 1972. The research of mythical state champions dating back to 1895 has been compiled on the football page at OHSAA.org.

There is no charge for stations to carry network broadcasts and affiliates can have waived broadcast fees throughout the football playoffs by carrying two or more state championship games from the network. Program logs are created for each game so local stations can insert their own inventory if they desire (24 local avails per game). The network broadcasts are available through Skyview Satellite and an online stream. Contact Tim Stried or visit https://www.ohsaa.org/news/radio
