First, **CONGRATULATIONS!!** Your win places you in the “Sweet 16” and one step closer to everyone’s goal...a trip to the State Championships at Huntington Park!

The extremely short turnaround time between your District Championship and the Regional Semi-Final creates a few **very important** timelines. Regional site managers have been instructed to provide you with information regarding specific to their Regional site. Many will have provided this to you along with this information at your District Championship game. If they have not done this, you or your Athletic Director should contact the regional manager for any site specific information.

Since preparation must begin now, it is important for you to provide this information to your Athletic Director.

**Please note that sites and game times are subject to change at the discretion of the Commissioner’s Office.**

Mentioned on the required forms, players must be certified by the Principal or Designee on the Official OHSAA Eligibility Certificate. These 22 may change from game to game during the tournament, however, the names must be on the Official OHSAA Eligibility Certificate.

## **Other Important Regional Tournament Information**

### **Regional Sites**

It is necessary to secure and contract sites well in advance of the Regional tournament. Regional sites were approved by the Board of Directors at the February meeting. **The Commissioner was authorized by the Board of Directors to move individual game sites and or times.** This CAN and MAY occur to when POSSIBLE to accommodate graduations and other travel concerns.

### **Admission & Ticket Information**

Tickets for all Regional Baseball sites are \$7.00 per person (adult & student).

### **Batting Practice at Regional Sites**

Batting practice is permitted at Regional sites prior to tournament games, but is not mandatory at the game field. Please make sure you check with the Regional Site manager for their policy and procedure. Many schools will communicate with a school in route to the Regional site for their batting practice.

### **Reminder Regarding COACHING Eligibility**

**All Coaches in the dugout must comply with dress code regulations as described in the NFHS Rules Book and the Baseball Pre-Season Coaches' Manual.** Only coaches with valid Pupil Activity Coaching Permits issued by the Ohio Dept. of Education are permitted to coach and be in uniform in the dugout. Approved coaches and their "PAP" permit numbers were submitted via the Tournament Entry Form.

### **Game Umpires**

Umpires for the Regional tournament have been assigned by the Commissioner's Office. The umpires assigned for the tournaments are determined by a combination Rating/Voting system approved by the Board of Directors. Names of the officials will not be announced in advance of the games. Just as in all games and in accordance with NFHS Rules, the **decisions and rulings of the officials will be final.**

### **Game Balls**

The Rawlings R100 baseball is the official game ball of ALL levels of OHSAA Baseball tournament play.
