

2015 Pre-Season OATCCC Cross Country Poll
August 13, 2015

Disclaimer: These polls were done with our best efforts using the enrollment numbers and divisions established by the OHSAA in the spring of 2015 for the 2015-2017 school years. On August 6 the OHSAA announced it was changing the enrollment figures for some schools and recalculating the divisions for each sport accordingly. The new numbers and divisions were promised to be available by approximately August 14, which was after the planned publication date of these polls. The Pre-Season Polls are always delivered a couple days before the OHSAA Early Season Invitational, which was moved up a week on the OHSAA calendar this year to August 15. There is no reason to do pre-season polls if they are not disseminated before the OHSAA meet. We apologize for the polls not being as accurate as they should be, but we were simply not given the information necessary to do so. If there are any teams listed below which are in the wrong divisions under the revised divisions and enrollment figures established by the OHSAA on or about August 14, trust us, we are more annoyed by this than you are. We promise to correct all mistakes by the first regular season poll, which will be published on Thursday, September 3. [The three week gap exists between the pre-season and first regular season polls because the OHSAA pre-season meet was moved up a week and left a void week between that meet and the beginning of the season, and two weeks between that meet and the first regular Saturday of invitationals.] So we should have time to fix this.

Disclaimer II: The enrollment numbers were released August 12, and the new divisions on August 13 after poll voting was completed. The 9 teams that were assigned to new divisions are noted in results.
