

1. BASEBALL

A. GENERAL REGULATIONS

1) Interscholastic Participation

- 1.1) No team or individual may play more than two games per day.

Note: Completion of a suspended game along with a regularly scheduled game(s) is not considered a doubleheader (penalty – see Sports Regulation 20).

- 1.2) **Teams** – No school team may participate in more than 27 regular season games on 27 playing dates.

Note: Doubleheaders may be played on any day pursuant to Board of Education or similar governing board policy.

- 1.21) Any scheduled game which is not started due to unforeseen circumstances, such as failure of team to arrive, strikes, school closings, etc., is a “No Contest.” Games not played are not included in won-lost records.

1.22) Any team exceeding the regular season participation limitation shall not be permitted to participate in the OHSAA tournament.

1.3) Individuals

- 1.3.1) An individual in grades 9-12 may play on a maximum of 32 playing dates plus OHSAA-sponsored tournaments.

1.3.2) An individual in grades 7-8 may play on a maximum of 21 playing dates plus one postseason or league/conference tournament.

- 1.33) If an individual plays a game at any level on separate dates, each game counts toward the 32 playing dates limitation. (Example: A student plays in a non-varsity game on Monday and a varsity game on Wednesday. Participation in both games counts as two dates toward the 32 maximum for the individual player.)

- 1.34) If an individual plays in a non-varsity game and a varsity game in the same day, each contest does not count toward the 32 playing dates limitation. (Example: A student plays in a non-varsity game and a varsity game on a Thursday. Participation in both games counts as one date toward the 32 maximum for the individual player.)

Note: If the games described in 1.33 are occurring simultaneously, that same individual may not re-enter the game where the initial participation occurred.

1.4) Interrupted Games

- 1.41) A game called for any reason, where a winner cannot be determined (NF4-3-1), or any game called at any time for mechanical failure (artificial lights, water systems, etc.) will be treated as a suspended game. If the game is to be completed, it will be continued from the point of suspension, with the lineup and batting order of each team exactly the same as the lineup and batting order at the moment of suspension subject to the rules of the game. Pitching limitations for any completed game relate to the original game’s limitations. Such game will be completed unless both coaches agree not to do so.

- 1.42) A game which has gone five innings and is called while an inning is in progress and before it is completed and the following situation prevails shall be a suspended game:

The visiting team has scored one or more runs to tie the score or to take the lead and the home team has not retaken the lead.

A suspended game that is not completed at a later date due to the inability to reschedule is considered a “No Contest,” not counted in the won-lost statistics, and both teams are permitted to schedule another contest.

- 1.43) Games cannot end in a tie. Games are either won, lost or suspended.

BASEBALL 2016-2017

- 1.5) Any suspended OHSAA tournament game shall be continued from the point of suspension at a later time. All OHSAA tournament games shall be played to completion (10 run rule applicable).
- 1.6) A game ends anytime after five innings when a team is 10 or more runs behind and has completed its term at bat.
- 1.7) Due to implementation of the NFHS required “pitch count,” all pitchers must follow newly adopted pitch/rest requirements to be released and communicated in January 2017.
- 1.8) Previews — A preview may be scheduled and played only starting with the first day after the official start date of coaching and ending with the date of the first regular season game of the teams involved. A preview may not exceed four innings for any one player or team and shall be played according to National Federation Baseball Rules.

2) Non-Interscholastic Participation

- 2.1) A member of an interscholastic baseball squad (any student who has played in a scrimmage, preview or regular season/tournament game as a substitute or starter) sponsored by the Board of Education or similar governing board **shall not participate in a non-interscholastic program** (tryouts, practice or contest) as an individual or a member of a team in the sport of baseball during the school’s season (Sports Regulation 7.2).
- 2.2) A member of a school baseball squad (any student who has played in a scrimmage, preview or regular season/tournament game as a substitute or starter) sponsored by the Board of Education may participate in non-interscholastic baseball prior to and after the school season under the following conditions:
 - 2.21) The number of interscholastic baseball players from the same school on a non-interscholastic squad is limited to four on the roster of that non-interscholastic squad. A roster is defined as all the members of the entire squad on that non-interscholastic squad.

Note: Graduating seniors who are participating on a non-interscholastic baseball squad after their final interscholastic contest of the season in the sport of baseball are exempt from this limitation.
 - 2.22) There is no limit on the number of baseball squad members from the same school participating on the same squad during the period beginning Friday prior to Memorial Day Weekend (May 26, 2017) - July 31, provided the players have concluded their school season.
 - 2.23) A player may continue to play with a non-interscholastic squad in a national qualifying tournament in excess of the four player limitation after July 31 until the squad is eliminated but no later than Labor Day.
 - 2.24) Non-interscholastic participation includes tryouts, training, practice and competition.
- 2.3) A student may not play in a non-interscholastic baseball contest, game or scrimmage, while a member of the school baseball squad, until the student’s school team has completed its schedule. This includes tournaments when applicable.
- 2.4) All-Star Games — “All-Star” events are non-interscholastic events by rule. Student-athletes in team sports who wish to participate in one of these “all-star” competitions outside the school baseball season may do so without jeopardy to eligibility provided the students maintain compliance with General Sports Regulations 7.3 and 7.6 that address “Non-Interscholastic Competition.”

The purpose of this special “All-Star” regulation is to provide an opportunity for the interscholastic team sport coach to coach players from his or her school. Coaches are permitted to coach in “All-Star” contests if they meet all the provisions of General Sports Regulation 7.6.

For a senior, the maximum penalty shall be ineligibility for the remainder of the school year.
