Friday Night Futbol Update

To: All Ohio High School Soccer Coaches and Athletic Directors
From: Jerry Snodgrass, Assistant Commissioner/Soccer Sport Administrator

This is an update of information for schools that are electing to participate in the initial "OHSAA's Friday Night Futbol" initiative presented by the Columbus Crew SC.

This has taken off extremely well and we are excited that the Columbus Crew SC has partnered to help make this successful for schools and soccer teams across the state. Each school hosting a game that evening will receive 2 tickets to the Columbus Crew SC match on Saturday, Sept. 26th vs. Portland Timbers at MAPFRE Stadium. Our hope is that each school will raffle off the tickets during the game to add to the excitement for fans. This provides you an additional opportunity for revenue for your athletic programs.

A reminder again there is NO charge, NO lengthy forms to complete, NO donation required, etc. We simply want to help promote high school soccer!

Remember also to encourage your marching band to perform – halftimes may be extended to 15:00 to provide time. Any promotions to increase attendance from students, youth leagues, and the community is welcomed as well.

If you plan on playing your first game on Friday, August 21, and participating in this initiative, please RSVP to staff member Mike Mays at mmays@ohsaa.org with the following information by Tuesday, August 4th.
