RE: OHSAA Tennis Regulations and Related Materials

This tennis manual is intended as a guide to assist with the coaching and administration of interscholastic boy's tennis. Included in this manual are the sports regulations for tennis as adopted by the OHSAA Board of Directors, and a brief summary of the general sports regulations that apply to all recognized sports of the OHSAA. Additional information regarding the OHSAA bylaws and constitution can be found in the current edition of the OHSAA Handbook or on our website at [www.ohsaa.org](http://www.ohsaa.org). Please refer to our handbook or website for information regarding scholarship, age, residency, transfers, recruiting and other issues that may affect a student's eligibility for interscholastic athletics. It is the responsibility of the athletic administrator and/or principal to determine a student's eligibility for participation in tennis.

There is no mandatory requirement to attend a rules interpretation meeting this school year. In the sport of tennis, rule interpretation meetings are held every other school year. Last year a 10 point tiebreaker rule was introduced in lieu of playing a third set when the match has already been determined. A major rule change for this school year is in regard to continuous coaching. Continuous coaching will now be permitted. For more specific information, refer to the 2015-16 Tennis Regulations and additional information contained in this manual.

**The latest edition of the USTA Handbook of Tennis Rules and Regulations (Friend at Court [FAC]) will serve as the official rules of tennis, unless modified by the OHSAA. Many USTA rules are outlined in the OHSAA tennis regulations and some of these rules may have been modified so that they are in alignment with OHSAA sports regulations. In the past the OHSAA has provided the USTA Handbook as a courtesy to each member school. The USTA bookstore was not able to provide the OHSAA with the necessary number of rules books; therefore, school coaches will have to go to [https://www.nfhs.org/media/1016491/2016fac\\_full.pdf](https://www.nfhs.org/media/1016491/2016fac_full.pdf) to obtain current information in regard to the USTA rules of tennis. The "Rules of Tennis" and the "Twelve Point Tie Break Procedures for Tennis" shall be used in all contests during the school season. A change proposed by the Ohio Tennis Coaches Association (OTCA) and adopted by the Board of Directors permits member school teams, in lieu of a third set tiebreaker when the match has already been determined (3 points scored), to play a 10 point tiebreaker.**

A tennis team will consist of three singles and two double participants. Participants may not compete in both singles and doubles in the same match. *Stacking is not permitted.* The requirement is that *in a given contest* the coach is required to play the singles players and doubles teams in rank order.

**Coaching and instruction in boys tennis begins on March 7, 2016.** Refer to the tennis regulations regarding scrimmage and regular season match limitations. Also note that although a girl may play on the boy's tennis team, any girl who participated in a contest on the girls' tennis team in the fall of 2015 is ineligible to compete on the boys' team in the spring of 2016. Schools with separate "varsity" teams (varsity A, varsity B) must have separate schedules.

**You will also want to note that if a school tennis team and/or individual violates the out of state travel regulation, including practicing out of state, the team/individual will not be permitted to participate in the OHSAA state tennis tournament.** Any student who participates in a non-school contest on or after the non-interscholastic date (April 11, 2016) will also be ineligible for the OHSAA state tennis tournament.

These materials have been provided to assist you with the coaching and administration of tennis. Take the time to read and review all the information presented to you. If you have any questions, or I can be of assistance, please do

not hesitate to contact me at (614) 267-2502 or email me at [kkaiser@ohsaa.org](mailto:kkaiser@ohsaa.org) . Please note that Tim Vogeli is the rules interpreter for tennis. His contact information is included on page 3 of this manual.

## MISSION STATEMENT

## 2015-16 TENNIS RULES INTERPRETATION MEETINGS

By OHSAA Board of Directors regulation, any school sponsoring interscholastic contests in high school tennis must have the head coach, assistant coach, or athletic administrator attend a rules interpretation meeting. **For the sport of tennis, these meetings are held every other academic year.** There **WILL NOT BE** rules meetings for this, the 2015-2016, school year.

If you have any questions regarding the rules of tennis, please contact the rules interpreter listed below.

**TENNIS SPORT REGULATIONS**

## 13. TENNIS — BOYS AND GIRLS

## A. GENERAL REGULATIONS

## 1) Interscholastic Participation

- 1.1) Dual competition consists of three singles matches and two doubles matches using seven different players.
- 1.2) Each individual match is best two out of three sets. The 12 point tie-breaker rule shall be used when necessary.
  - 1.2.1) During a regular season match, when the winner has been determined (3 points scored), coaches may mutually agree to utilize a "super tiebreaker" in lieu of the 3rd set.
- 1.3) During invitational and/or conference tournaments, each individual may play three, two of three set matches or up to four eight game pro sets per day.
- 1.4) Prior to a match, coaches may mutually agree to use no advantage scoring during the season.
- 1.5) Maximum number of regular matches per individual per day is three. Maximum number of pro sets per day (eight games each) is four. Each match played in dual competition counts as one match in the season limitation. If a player participates in more than three matches or four pro sets in one day, the player shall forfeit the additional match and, it shall count as two matches for the school in the season limitations.
- 1.6) There shall be a two-minute rest period between each set.
- 1.7) If weather or darkness interrupts a match before either team has won three points (and thus the match), incompleted matches shall be resumed at the exact point where suspended. The match(es) shall be rescheduled at the earliest possible date agreeable to both coaches. Players not appearing for a rescheduled match shall forfeit their respective match. Unfinished matches shall not count in team scoring.
- 1.8) The warmup period for all matches shall not exceed 10 minutes.
- 1.9) All warmup serves in both singles and doubles shall be taken prior to the start of play.
- 1.10) Play shall be continuous as defined by U.S.T.A. regulations. In case of injury or illness, after evaluation by a coach or trainer, a player will be allowed a maximum of five minutes for treatment after which the player must resume play or forfeit the match.
- 1.11) Singles players must play in order of team rank. The better doubles team must play No. 1 doubles. This rule also applies to injury or illness preceding a match. Forfeiting a point for a missing player's position is not allowed. If the No. 1 player cannot compete, the regular No. 2 player plays at No. 1, the regular No. 3 player plays at No. 2, and the substitute is placed at No. 3. "Stacking" is not allowed under any circumstances.
 

**Note:** This does not mean that the best player on the team must play first singles. However, if he/she is going to play singles, he/she must play at the No. 1 position.
- 1.12) Continuous coaching is permitted. In addition to coaching at the ends of games 3, 5, 7, etc. and the end of each set, a coach may coach their own player(s) any time during the 20 seconds between points as long as the coach does not interfere with actual play on the court.
- 1.13) A coach shall not initiate a conversation with an opposing player.
- 1.14) A coach may sit or stand near the net post and must stay within the area where the players' chairs or benches would be located if not provided.
- 1.15) All team members must wear an appropriate school uniform or proper tennis attire, preferably in school colors. Proper tennis attire is defined as clothing specifically manufactured for tennis wear. Any lettering or pictures on clothing and/or headgear must pertain to the school name or emblem, the student's name or be patriotic in nature (e.g. the United States flag). No phrases, quotes, or "slogans" shall be permitted. Manufacturer's names or logos are permitted provided they do not exceed one and a half inches in height. Girls have the option of tennis dress or school uniform. "Doubles" team players shall wear like color tops. Any visible undergarments that extend below the uniform shorts, dress, or skirt shall be the same color of the shorts, dress or skirt or represent school colors or, be all white or all black, or all gray. Any clothing deemed to be "reflective" or "distractive" in nature shall not be permitted. This dress code shall be

enforced by the home coach or tournament director. Failure to comply will result in a player being denied the right to participate.

- 1.16) The home school coach shall serve as the referee, enforcing all OHSAA regulations and USTA rules.
- 1.17) **Any girl who has not participated on the girls team in the fall, either in a scrimmage or match, may participate on the boys team in the spring.**

## 2) **Out-of-State Travel**

A tennis team may travel out of state to compete in contest scrimmages and matches in states or provinces in Canada that are contiguous to Ohio regardless of distance to travel. The states include Indiana, Kentucky, Michigan, Pennsylvania and West Virginia. The province includes Ontario. Additionally, a tennis team may travel out of state one time per interscholastic season to compete in states or provinces in Canada that are not contiguous to Ohio provided there is no loss of school time.

“School time” is defined as any time during any day during which the school is in session as stipulated in its Board-adopted school calendar exclusive of contingency days. **Penalty for Violation:** The school shall be ineligible for the OHSAA postseason tournament in the sport in which the out-of-state travel was involved and could be subject to additional penalties as referenced in Bylaw 11.

**EXCEPTION:** If, because of missed school days due to calamity situations, an otherwise non-school day(s) becomes a school day(s) in order to make up for the missed school day, the school may compete in a contest(s) outside the state of Ohio provided:

- 1) The school had contracted for/committed to said trip/contest(s) at least three months prior to the contest(s) in question and;
- 2) The school receives written permission from the Commissioner’s office at least one week in advance of the scheduled event.

A tennis team may not travel out of state to practice only. Any contest played in a non-contiguous state is a match. No match can be played prior to the official start of the OHSAA season. **Any violation of the out of state regulation, including practicing out of state, shall result in the removal of the school team and/or individuals from the OHSAA tournament.**

## 3) **Exceeding The Participation Limitation**

A team/individual that exceeds the regular season participation limitation (maximum number of contests permitted) or participates in regular season contest(s) prior to the designated start date for contests shall be removed from the OHSAA tennis tournament.

## 4) **Ejection for Unsporting Conduct**

See *Ejection Policies for Players and Coaches* under Sections 13 and 14 of the General Sports Regulations.

## 5) **Transfer Bylaw**

Due to the many questions regarding this bylaw and its application to students desiring to participate in tennis, please go to the OHSAA website ([www.ohsaa.org](http://www.ohsaa.org)), click on the “Eligibility” link, then click on the “Transfer Bylaw Resource Center” to assist in the understanding of this bylaw. Note that students who transfer and do not meet an exception to this bylaw are ineligible for all contests (including scrimmages) until regular season contest number 12 in tennis.

## 6) **Non-Interscholastic Participation**

- 6.1) A member of an interscholastic tennis squad (any student who has played in a scrimmage or regular season/tournament match) sponsored by the Board of Education shall not participate in a non-interscholastic contest or in non-interscholastic competition as an individual or a member of a team in the sport of tennis during the school’s season (Sports Regulation 7.2.2).

### 6.2) Individual Non-Interscholastic Competition Dates:

A tennis athlete who has not participated for the school in tennis that season must cease non-interscholastic tennis competition six weeks (42 days) prior to the Monday of the week of the State Tournament in tennis in order to be eligible for OHSAA Tournament competition.

**TENNIS 2015-2016**

Dates: Girls: August 31, 2015; Boys: April 11, 2016.

Interscholastic tennis coaches may coach athletes from the school where employed outside the interscholastic season of the sport. No coach may require participation until the official start of the interscholastic season.

**7) Penalties**

The maximum penalty for violation of Sports Regulation 7.2.2 (participation with a non-interscholastic tennis squad or in non-interscholastic competition while a member of the school's interscholastic tennis squad) or any OHSAA regulations for any member of the school squad EXCEPT a senior is ineligibility for the remainder of the interscholastic tennis season or the ensuing tennis season. The following is a summary of the sports regulations as they apply to match protocol and to the postseason tournaments. Items addressed are warm up periods, rest periods, foot faults, equipment, etc. **There is also more extensive information on the newly adopted continuous coaching rule.**

## Summary of Tennis Regulations and 2016 Tournament Information

### 1. **Eligibility**

- 1.1 OHSAA eligibility bylaws apply to all participants.
- 1.2 OHSAA Sport Regulation #7 – Non-Interscholastic Programs.

### 2. **Rules of Play**

- 2.1 Current U.S.T.A. rules for singles and doubles play apply unless specifically modified by the OHSAA.
- 2.2 Each individual match is best two out of three sets unless the 10 point tiebreaker has been agreed upon in lieu of the third set (when the match has already been determined). The twelve-point tiebreaker will be used in each set. During invitational or conference tournaments individuals may play a maximum of four eight game pro sets. **In OHSAA sponsored tennis tournaments, individuals are prohibited from participating in more than three matches per day.** The OHSAA tournament does not permit pro sets, nor will the 10 point tiebreaker be used in lieu of a third set.
- 2.3 Players and coaches are requested to assist in starting matches on schedule. A ten minute default rule may be enforced. It is not mandatory that the home team give the visitors *extended* time for pre-match warm-ups.
- 2.4 All warm-up serves in both singles and doubles shall be taken prior to the start of play.
- 2.5 Play shall be continuous as defined by U.S.T.A. Regulations. In case of injury or illness, after evaluation by a coach or trainer, a player will be allowed a maximum of five minutes **treatment** after which the player must resume play or forfeit the match.
- 2.6 Singles players must play in order of team rank. The better doubles team must play No. 1 doubles. This rule also applies to injury or illness preceding a match. Forfeiting a point for a missing player's position is not allowed. If the No. 1 player cannot compete; the regular No. 2 player plays at No. 1, the regular No. 3 player plays at No. 2 and the substitute is placed at No. 3 "Stacking" is not allowed under any circumstances.
- 2.7 Either player may call a "let" if interference occurs, but the player calling a "let" must be in control of the ball. A "let" will not be allowed after a player has hit and erred.
- 2.8 Players are warned not to catch balls before they strike the court.
- 2.9 In case of foot faults **the coach** (*not players*) should notify the tournament manager. The tournament manager will handle the violations and may assign a foot fault judge if necessary. Once a coach/monitor has been assigned, foot fault infractions can be called from outside the court.
- 2.10 Players are requested to record scores on scoreboards as they change courts when scoreboards are provided.
- 2.11 The winner of each match will report the score to the tournament manager, return used balls and then be notified of the schedule time of his/her next match.
- 2.12 In tennis there will be a two minute break between each set.
- 2.13 There shall be a minimum of thirty minutes between matches in the sectional tournaments and a minimum of forty-five minutes between matches in district tournaments for all competitors, weather permitting. During the state tournament there will be a minimum of one hour between matches, weather permitting.

### 3. **Equipment**

- 3.1 Only "championship" quality, "approved by the U.S.T.A." balls shall be used in matches.
- 3.2 The home team will furnish two or three balls for the matches unless other arrangements have been made between the coaches.
- 3.3 The home team coach shall determine whether new balls will be used for third sets. The decision and announcement to the players should be made in advance of the start of play.
- 3.4 Tennis racquets and strings shall conform to current U.S.T.A. standards.
- 3.5 Singles sticks shall be used in all sectional, district, and state tournaments.

#### 4. **Officials**

- 4.1 The home team coach shall serve as the referee, but both coaches are responsible for assuring that USTA and OHSAA regulations are followed.
- 4.2 All matches should begin at the specified starting time. Individual matches may be delayed a predetermined period of time to accommodate a player late for a legitimate reason (IF A MATCH IS TO BE FORFEITED, IT MUST BE THE 3<sup>RD</sup> SINGLES OR 2<sup>ND</sup> DOUBLES MATCH THAT IS FORFEITED).
- 4.3 Either coach may request a foot-fault judge or line judge. It is the home coach's responsibility to make such assignments. Parents, high school students and general spectators shall not be assigned this responsibility.
- 4.4 A player may request interpretation of a rule from his/her coach or the opposing coach during play.

#### 5. **Conduct, Character, Discipline**

- 5.1 Ethical conduct of players and coaches should be observed at all times. Coaches and players are reminded that *Code Violations can be given prior to, during, and after a match has concluded*.
- 5.2 During participation in regular season and OHSAA tournaments any student or coach ejected for unsporting conduct or flagrant foul shall be ineligible for the remainder of that day as well as for all contest in that sport until two regular season/tournament contests are played. The home/host coach shall be responsible for reporting player/coach ejections.  
The tournament manager shall report individuals ejected for unsporting conduct during an OHSAA tournament to the OHSAA Commissioner. The Commissioner will investigate the situation and may impose additional penalties in accordance with Bylaw 11, if the situation warrants it.  
Participation in athletic contests is a privilege. Each individual is expected to conduct him or herself in an exemplary manner while participating.

#### 6. **Coaching**

- 6.1 In addition to at the end of games 3, 5, 7, etc. and the end of each set, a coach may coach their own player(s) any time during the 20 seconds between points as long as the coach does not interfere with actual play...coaching cannot interrupt the continuous play rule. There can be absolutely no coaching during actual match play.
- 6.2 Coaching may only take place where facilities permit it. Matches on other courts cannot be interfered with. A coach may sit or stand near the net post and must stay within the area where the players' chairs or benches would be located if not provided. The coach's movement shall be limited so as not to distract the players. A coach may change courts when his/her movement will not interrupt play. It is permissible to coach from outside of a fenced court, on an empty adjacent court where the coach may stand and/or at the doubles sideline on the same side of his/her own player... if the coaching does not interfere with other matches occurring simultaneously or the match in progress. Coaches shall in no way distract an opposing player. Coaches may coach within the lines of the court only during a changeover or set break.
- 6.3 A coach shall not initiate a conversation with an opposing player or in any way get involved with an on-court situation, except at the request of the player(s) or opposing coach in accordance with what is already permitted. At no time should a player initiate a conversation with an opposing coach.
- 6.4 Coaching is not permitted during an OHSAA match by anyone other than the school's assigned Board approved tennis coaches. All coaches must have the proper ODE/OHSAA credentials. Member schools permitting non-certified coaches to coach may incur a fine and be subject to additional penalties.
- 6.5 The use of signals, cheering (as opposed to applause), vile suggestions, and the like, during play, is considered unsporting and is not permitted.
- 6.6 **PENALTIES FOR VIOLATION:** If there is any violation of the above rules (i.e. continuous coaching during match play, distracting an opposing player, coaching where coaching is not permitted, etc.) the offending coach will receive a code of conduct penalty and his/her player, on the court where the violation occurred, will receive a point penalty as a result of the violation. Penalties will be assessed by the opposing coach or tournament manager if applicable. For any subsequent violation, the coach's player shall be assessed a game penalty for a second violation and disqualification for a third. Future matches will not be affected, but the violations shall be reported to the offending coach's athletic administrator.

7. **Please refer to the Tennis Regulations regarding:**
- a. Uniforms- hats/visors, as well as shirts, shorts and dresses are considered part of the uniform and uniform regulations shall apply.
  - b. Code of Conduct

## PLAYING THE MATCH

### 1.1 RULES (USTA FAC and OHSAA TENNIS REGULATIONS)

**Unless modified by the OHSAA**, the USTA Rules and Regulations will be used as described or referred to in *The Friend at Court* (FAC). Coaches should be familiar with the USTA regulations.

#### *MAKING LINE CALLS*

During a match, it is the responsibility of the player to make his/her own calls. When there is doubt, the call must be made in favor of the opponent. An out call must be made immediately. If a player feels that his/her opponent is making incorrect calls, he/she may request a monitor for the match **THROUGH his/her coach**. **Remember the three chance rule. Accept the first incorrect call as an honest mistake; question the second; and you may request a monitor after the third.**

### 1.2 REFEREE

The home coach will serve as the referee, enforcing all OHSAA and USTA regulations. **Both coaches may and shall enforce all rules.** Although it is indicated that a coach(es) serve as referees, a coach must be **ON THE COURT** to be able to *reverse* calls when requested.

#### *PRE-MATCH INSTRUCTIONS*

Prior to the start of the match the coach of the home team will call all the participants and coaches together to explain the rules. He/she will:

1. Provide his/her line-up card in writing to the visiting coach and receive the visiting coach's line-up card in writing.
2. Introduce both coaches as match officials.
3. Introduce any assistant coaches at the match.
4. Announce that all regular season matches will be two out of three tie-breaker sets. Refer to the OHSAA Tennis Regulations in regards to a 10 point match tiebreaker in lieu of 3<sup>rd</sup> set. Participants will have a 10 minute warm-up.

5. Inform participants about restroom facilities and water.
6. Inform participants what to do in case of inclement weather.
7. Inform participants of any idiosyncrasies of the courts and facilities, such as overhead wires, etc.
8. Inform the participants that the OHSAA/OTCA point penalty system (Code of Conduct) will be enforced.
9. Supply two (2) or three (3) new USTA approved tennis balls. The use of new balls for the third set is optional for regular season matches. It should be indicated prior to the match if new balls for the third set are to be provided. The same regulations hold for all courts.

**PLEASE REFER TO THE OHIO TENNIS COACHES' ASSOCIATION CODE OF CONDUCT LOCATED NEAR THE END OF THE MANUAL IN REGARD TO CODE VIOLATIONS/PENALTIES.**

### 1.3 ON- COURT MONITORS

If a request is made for a monitor to go on-court, the monitor will only rule on calls which are challenged by the players with a verbal request. The decision of the monitor is final! To continue to argue a call after a monitor has ruled may result in an unsporting conduct penalty. The only calls made automatically by the monitor are obvious foot faults and lets. *Monitors should not be other players, parents or general spectators from either of the two competing schools.*

Players should be informed of the responsibilities of the monitors and the proper procedure for making appeals. It is still the player's responsibility to keep the score.

1.31 If a single monitor is used, he/she should position themselves at the net post. The only call the monitor may make is an obvious foot fault and service lets. (There is no warning). All other calls are made by the players. All appeals must be verbal and directed to the monitor. If the monitor cannot make the call, the call will stand. The monitor's decision is final.

1.3.2 If dual monitors are used (it is suggested that it be a coach from each team) they will place themselves at opposite sides of the net post. **Coach A** will be responsible for his/her sideline and the north baseline and service line. **Coach B** is responsible for his/her sideline and the south baseline and service line.

The monitor may defer to the other monitor for help in making a call. If neither can make the call, the call stands. All appeals must be verbal and directed to the appropriate monitor. THE DECISION OF THE MONITOR IS FINAL.

## 1.4 FOOT FAULTS

Players may not call foot faults on one another.

Players should inform their coach if they suspect foot faulting is taking place. Only coaches/monitors can call foot faults. Coaches/monitors need not be directly on the court to make foot fault calls.

## 1.5 MAKING CALLS

- A. Player makes calls on their own side of net. A player calls all shots landing on, or aimed at, the player's side of the net. This includes "Not Ups," Through Balls, Double Bounces, Touches, etc. Any ball coming towards a player is his/her call.
- B. The opponent gets benefit of the doubt. When a match is played without officials, the players are responsible for making decisions, particularly line calls. There is a subtle difference between player decisions and those of an on-court official. An official impartially resolves a problem involving a call, whereas a player is guided by the principle that any doubt must be resolved in favor of an opponent.
- C. **Ball touching any part of a line is good. If any part of a ball touches a line, the ball is good. A ball 99% out is still 100% good.**

*(USTA PART-2 THE CODE, pg. 49)*

## 1.6 ELECTRONIC DEVICES

- 1. If the cell phone of a player (or that player's coach on the court) rings during the match, said player will receive a warning and each subsequent offense will be assessed a point penalty.
- 2. If the cell phone of a player (or that player's coach on the court) rings while the ball is in play, that player loses the point being played.
- 3. The use of ANY electronic devices such as cell phones, digital messaging systems, radios, mp3 players, CD and DVD players, cassette players, and watches that receive digital messages to receive coaching and other information is prohibited. FIRST OFFENSE, the player will be warned and each subsequent offense will be a point penalty.

## 1.7 COACHING

Please refer back to **Summary of Tennis Regulations and 2016 Tournament Information** for complete coaching rules. 6.1 and 6.2 are listed below.

- 6.1 In addition to at the end of games 3, 5, 7, etc. and the end of each set, a coach may coach their own player(s) any time during the 20 seconds between points as long as the coach does not interfere with actual play...coaching cannot interrupt the continuous play rule. There can be absolutely no coaching during actual match play.
- 6.2 Coaching may only take place where facilities permit it. Matches on other courts cannot be interfered with. A coach may sit or stand near the net post and must stay within the area where the players' chairs or benches would be located if not provided. The coach's movement shall be limited so as not to distract the players. A coach may change courts when his/her movement will not interrupt play. It is permissible to coach from outside of a fenced court, on an empty adjacent court where the coach may stand and/or at the doubles sideline on the same side of his/her own player... if the coaching does not interfere with other matches occurring simultaneously or the match in progress. Coaches shall in no way distract an opposing player. Coaches may coach within the lines of the court only during a changeover or set break.

## 1.8 FOREIGN LANGUAGE

If a player makes a loud outburst in a language that the official or coach does not understand, the official should caution the player that further foreign language outbursts that are not understood by the official will be penalized in the Point Penalty System as unsportsmanlike conduct. (*USTA FAC IV.D-18 p.131*)

## 1.9 CALLING THE SCORE-THE SERVER'S RESPONSIBILITY

The Server shall announce the game score before the first point of the game and the point score before each subsequent point of the game. If a disagreement occurs and cannot be resolved between the players, points that can be agreed upon count and the match is resumed at the point where both agree. Disputes over the score shall be resolved by using one of the following methods, which are listed in the order of preference (*USTA Code #32, pg 52*):

- a. Count all points and games agreed upon by the players and replay only the disputed points or games.
- b. Play from a score mutually agreeable to all players.
- c. Spin a racket or toss a coin.
- d. See the latest edition of *Friend at Court* (p. 52) for other examples of scoring disputes.

## 2.0 NON INJURY TIME-OUTS/BLEEDING/MEDICAL CONDITION

In the case of stoppage of play involving bleeding, body fluids, asthma attacks, and/or diabetic attacks, the affected player is entitled time to stop the bleeding/body fluids and clean the affected area, administer medication or administer insulin (insulin medication may be administered either on or off the court). If clothing becomes soaked with blood or body fluids, the player must change clothing. When there is a stoppage in play due to an issue involving blood or body fluids, the stoppage shall not be counted as an injury timeout.

If the bleeding/body fluids or the removal of the blood/body fluids, asthma attack, or insulin attack takes more than 15 minutes or if *the official in charge determines that the continuation of the match would likely involve continued interruptions, such as after the third stoppage of play, and thus would not be fair to the opponent, the official shall require the player who is bleeding/body fluids/or having an asthma attack or insulin attack to retire.*

## 2.1 REST ROOM BREAK

**Bathroom Visit.** A player may request one or more suspensions of play for a toilet visit.

For each request the referee or other official in charge shall decide if it is a genuine toilet emergency, as opposed to general player fatigue. If the request is not granted, play continues. Because of the proximity of restrooms, there is no time limit on restroom breaks but the individuals must make every effort to return to play as quickly as possible. However toilet breaks should be taken at set breaks unless there is a true emergency, in which case the break preferably is taken during an odd game changeover, but may be taken immediately (*USTA Comment 29.3, pg., 25*)

**COACHING IS NOT PERMITTED DURING THE SUSPENSION OF PLAY FOR EITHER A MEDICAL TIME-OUT OR A BATHROOM VISIT.**

# Ohio Tennis Coaches' Association/OHSAA Code of Conduct

The following Code of Conduct has been adopted by the Ohio Tennis Coaches' Association and the OHSAA and is used for all OHSAA tournament and school matches. *In some cases, it supersedes USTA regulations.* **Players can incur Code Violation Penalties for actions not only during the match, but also before and after the match.** In dual matches, even though the home coach is the head umpire, both coaches MAY and SHALL enforce these regulations. It is suggested that, before each tournament or match, each participant be advised that the OHSAA point penalty will be enforced. **Penalties for code violations are accumulative and follow the listed progressions.**

**Code Violations after the conclusion of a match (regular season and/or tournament) may be carried over to the player's next match.**

## Time Violations

1. In OHSAA-sponsored tournaments where there is a meeting of the manager and coaches:

*The penalties for time violations in No. 1 are:*

15 minutes late for meeting: LOSS OF COIN TOSS PLUS ONE GAME.

Each additional 5 minutes late: LOSS OF GAME; UP TO THREE GAMES.

**Note:** This holds for all players for which the coach is responsible. Implementation of these penalties is at the discretion of the tournament manager.

2. Not starting play within 20 seconds after a 10 minute warm-up.

3. The receiver must play at the reasonable pace of the server and must be ready to receive when the server is ready to serve.

4. 90 second rule on game change over.

*The penalties for violations in No. 2, No. 3 and No. 4 are:*

1st Offense: WARNING

Each Subsequent Offense: POINT

## 5. ANY unsporting conduct including but not limited to:

- 5.1 Prolonging an argument after being directed to play.

- 5.2 Visible or audible profanity.

- 5.3 Abuse of racquet, balls or equipment.

- 5.4 Abusive conduct by a player or a person associated with a player.

- 5.5 Taunting or baiting an opponent (any attempt to embarrass, ridicule or demean another person).

- 5.6 In an officiated match, excessive overrules by an official or excessive appeals by a player can be deemed unsporting conduct and penalized as such.

*The penalties for violations above are:*

1st Offense: POINT

2nd Offense: GAME

3rd Offense: DISQUALIFICATION

## 6. CODE VIOLATIONS RESULTING IN IMMEDIATE DISQUALIFICATION.

- 6.1 Verbal or physical abuse of player or official.

- 6.2 Extreme unsporting behavior

- 6.3 Not resuming play after 5 minutes following treatment of an injury or illness.

- 6.4 Being late for a tournament match (**10 minutes**) after the match has been called to start. (This is after the coach has reported to the tournament manager that they are present. A team still has 30 minutes to report to the tournament at the sectional and district tournament level.)

**NOTE — These are minimum regulations, and, depending upon the severity of the situation, a coach or official may issue a penalty more severe than is listed.**

# “Tie-Break” Procedure for Tennis

In **ALL** girls and boys dual matches and tournament matches the twelve (12) point tie-breaker system of play shall be used

The following system shall be used in a tie-break set.

## **SINGLES:**

A player who first wins seven points shall win the game and the set provided the player leads by a margin of two points. If the score reaches six points all, the game shall be extended until this margin has been achieved. Numerical scoring shall be used throughout the tie-break game.

The player whose turn it is to serve shall be the server for the first point. The opponent shall be the server for the second and third points and thereafter each player shall serve alternately for two consecutive points until the winner of the game and set has been decided.

From the first point, each service shall be delivered alternately from the right and left courts beginning from the right court. If service from a wrong half of the court occurs and it is undetected, all play resulting from such wrong service or services shall stand, but the inaccuracy of station should be corrected immediately.

Players shall change ends after every six points and at the conclusion of the tie break game.

## **DOUBLES:**

In doubles the procedure for singles shall apply. The player whose turn it is to serve shall be the server for the first point. Thereafter each player shall serve in rotation for two points, in the same order as previously in that set, until the winner of the game and set have been decided.

## **ROTATION OF SERVICE**

The player (or pair in the case of doubles) who served first in the tie-break game shall receive service in the first game of the following set. Players also change sides after the last point of the tie-break game.

*USTA Rule 5b*

**Coaches, please note that in dual matches where the match outcome has already been determined (3 points scored), in lieu of a third set, students may play a 10 point tiebreaker (the first to win 10 points by a margin of two points) if both coaches mutually agree to do so prior to the start of the match.**
