Tennis, everyone.

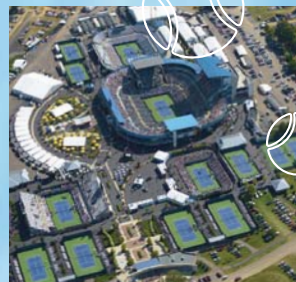

Cincinnati is one of only five places in the world, outside of the Grand Slams, to host a top-level tournament for both men and women – with the same players you see at Wimbledon or the US Open.

So unless you are planning to travel to London, Paris or Rome anytime soon, you won't want to miss this summer spectacle right here in the Midwest.

Every one of the world's best players.

Every food, wine, shopping and music option you can imagine.

Cincinnati in August, is tennis... **for everyone.**
