OHIO TRACK CLINIC SPECIAL

Jan. 29th — Jan. 31st, 2015

**NHSF Rule for
2014-2015
Season!**

#8622

Required by the Nat. H.S. Fed.

These new box collars provide additional protection from exposed hard surfaces. Made of

three inch high impact foam they comply with the new ASTM Standard F2949. The Gill SafetyMax+ collar includes "wings" which extend down into the box while the UCS collar does not.
