**\*\*Note:** *The OHSAA does not have any individual results or other team scores from 1908-1911.*

**\*\*The state track meet was first run at Denison University in 1908 with just 12 schools participating, moving to Ohio Wesleyan University the next year. The meet then relocated to the campus of Ohio State University in 1910. Except for the years 1999-2003, when the meet was held at Dayton Welcome Stadium, the state boys track meet has taken place on the OSU campus ever since.**
